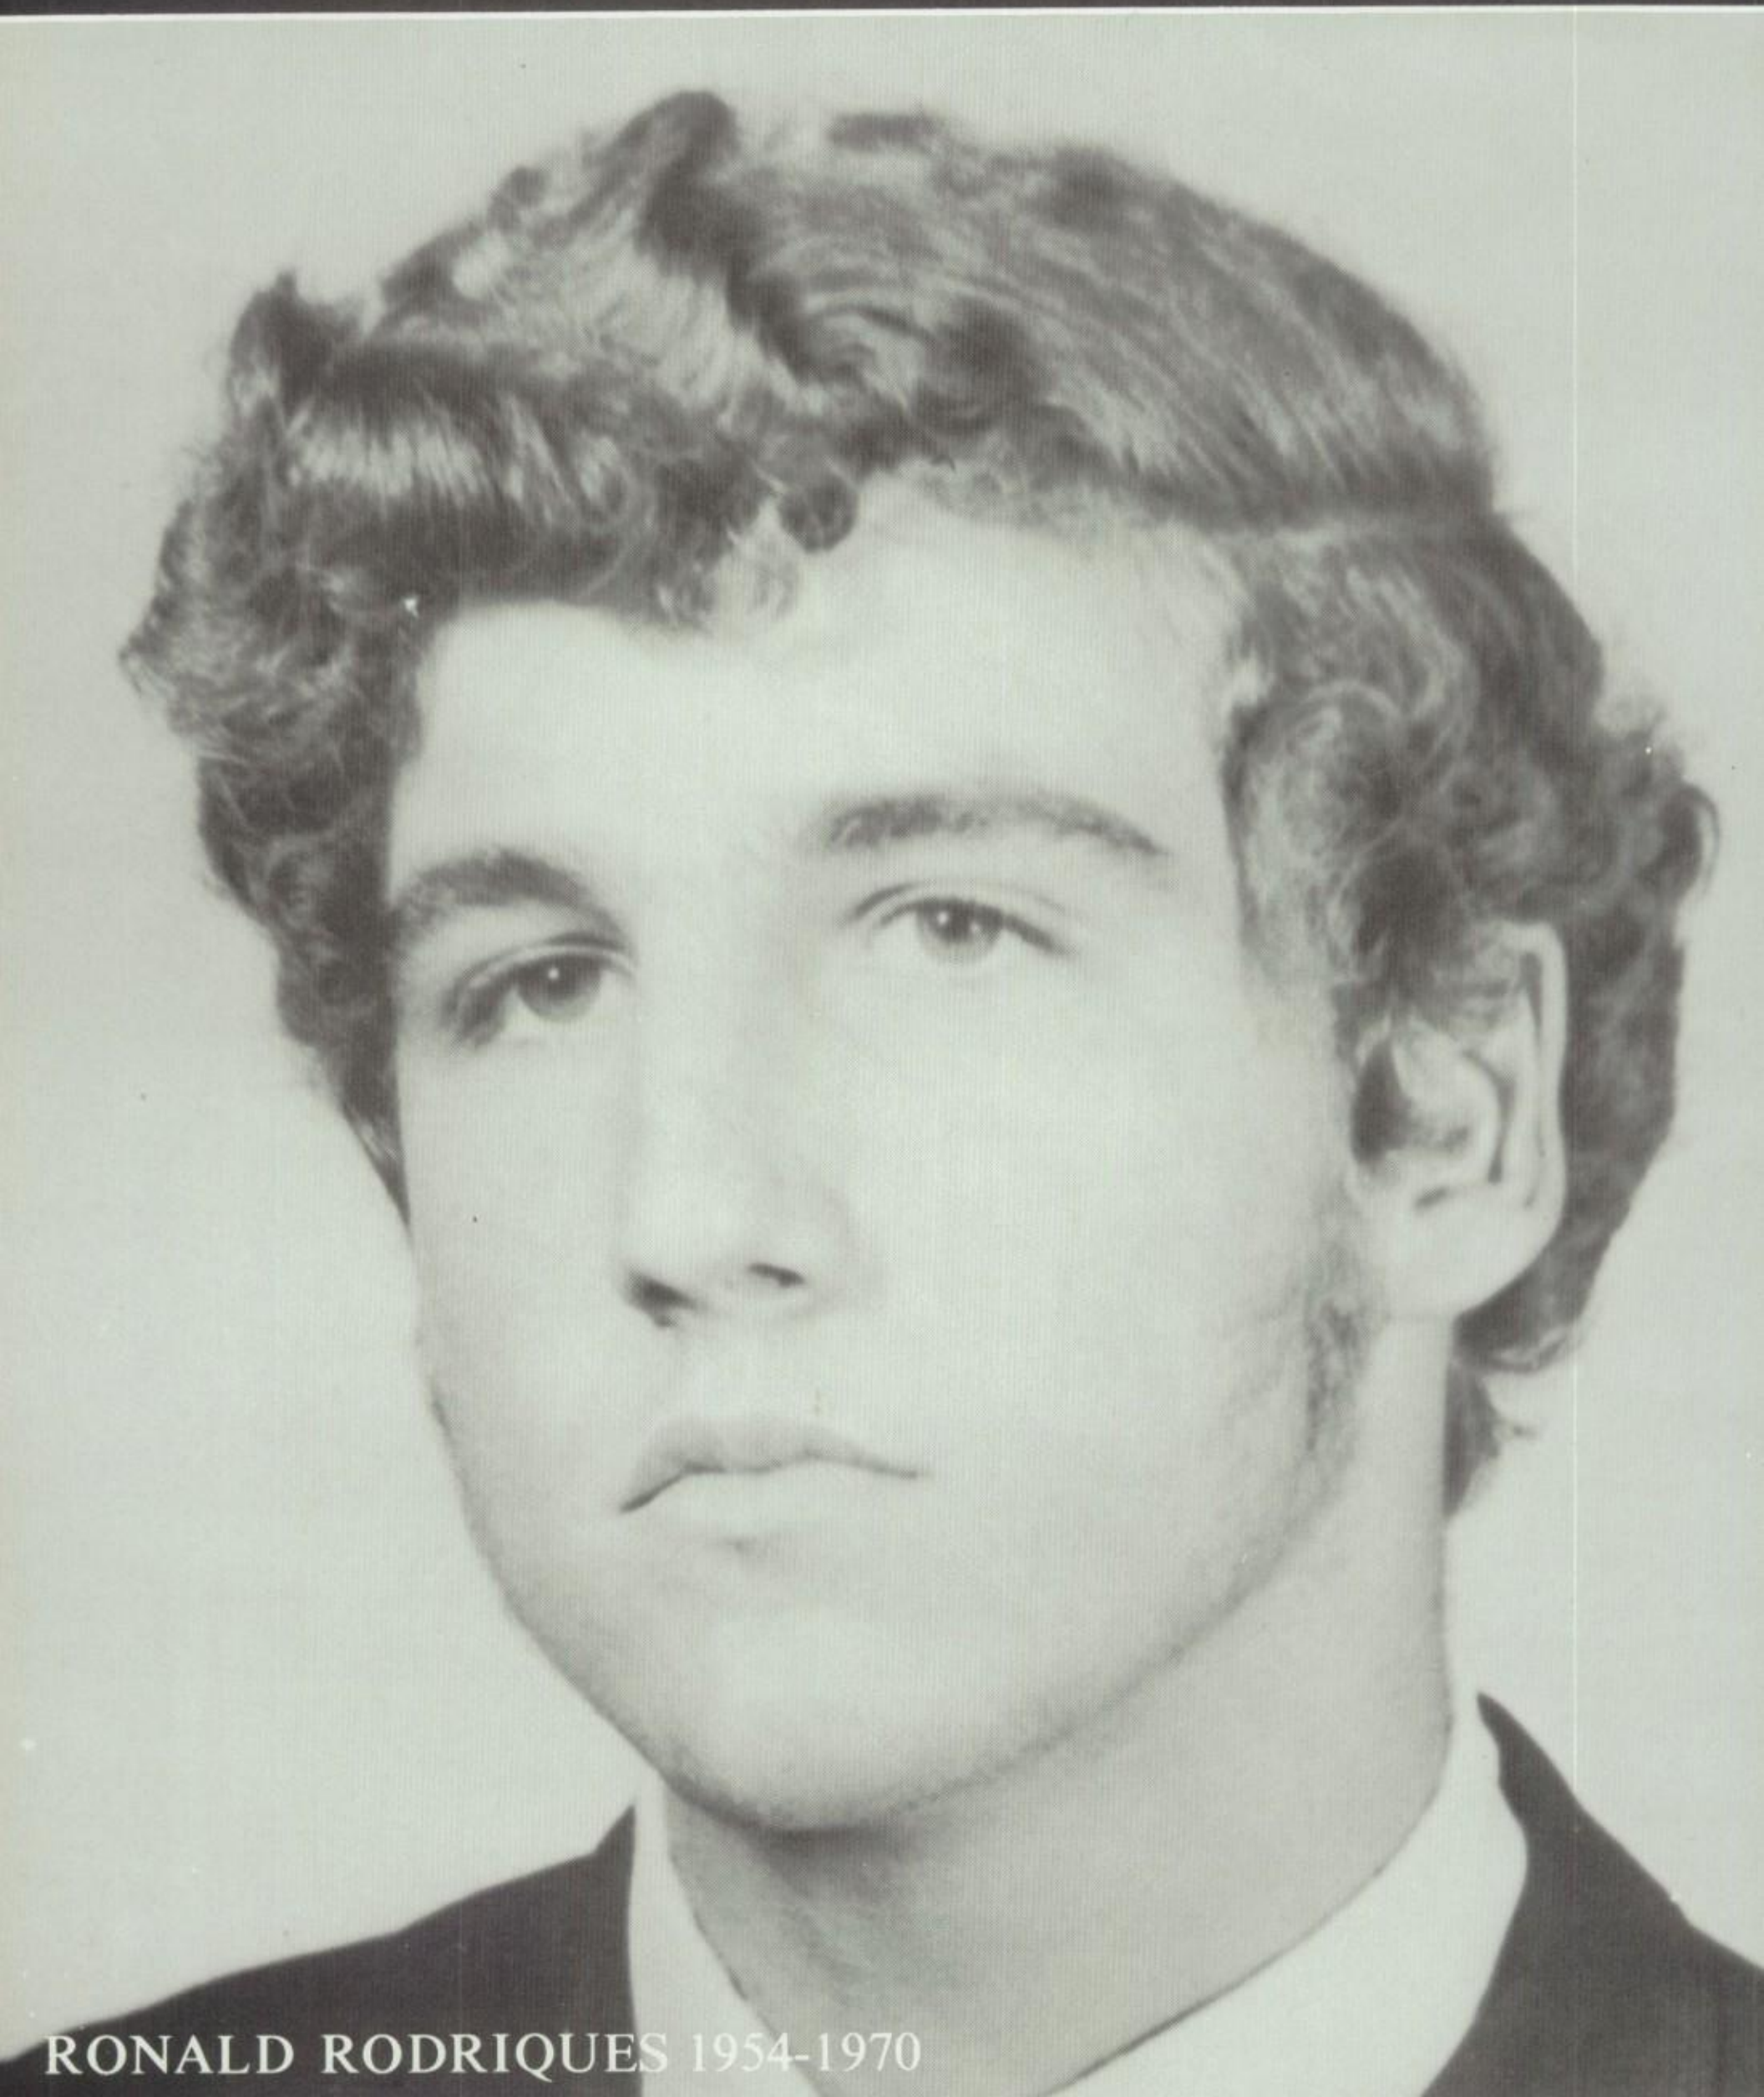
THE CLASS OF 1971 PRESENTS THE SAINTSMAN

DEDICATION



RONALD RODRIQUES 1954-1970

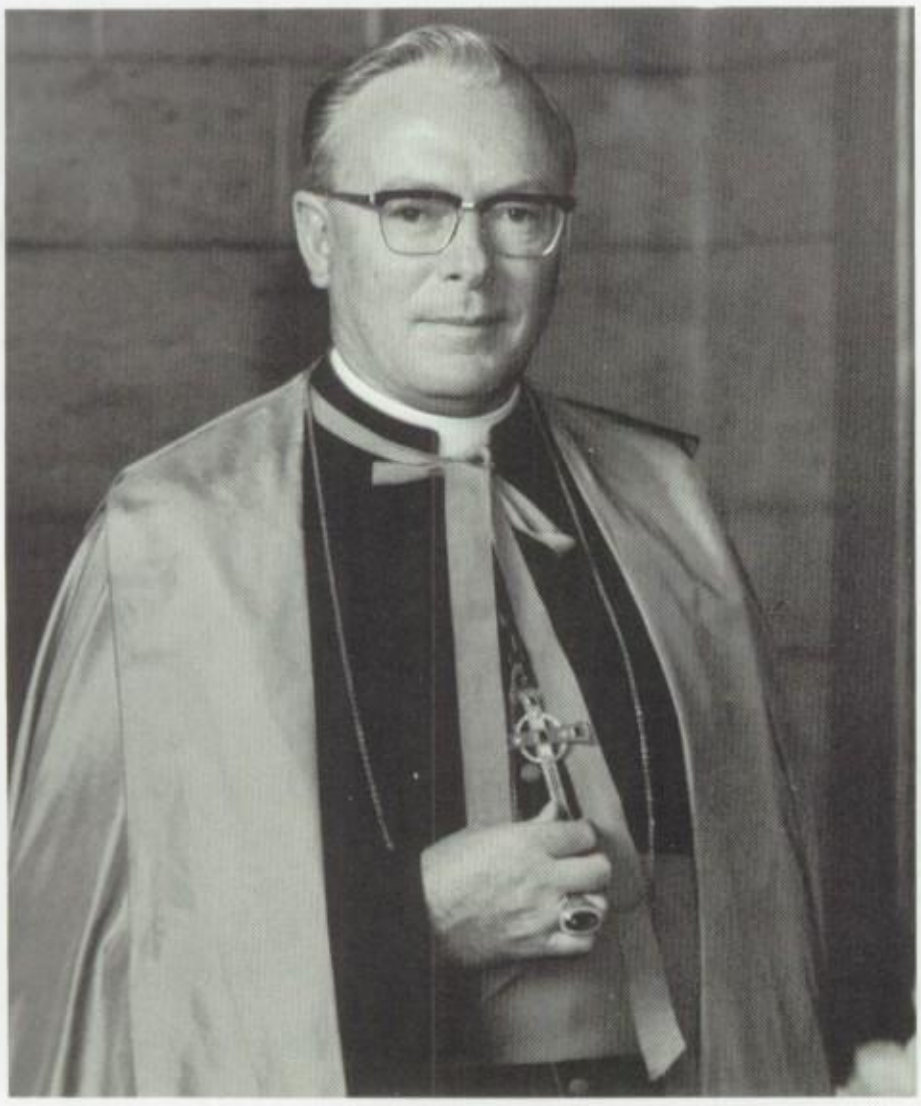
JOHN FOREST 1955-1971

The Lord is my shepard, there is nothing I shall want.
Though I walk in the valley of darkness, I fear no evil, for You are with me.

1

FACULTY

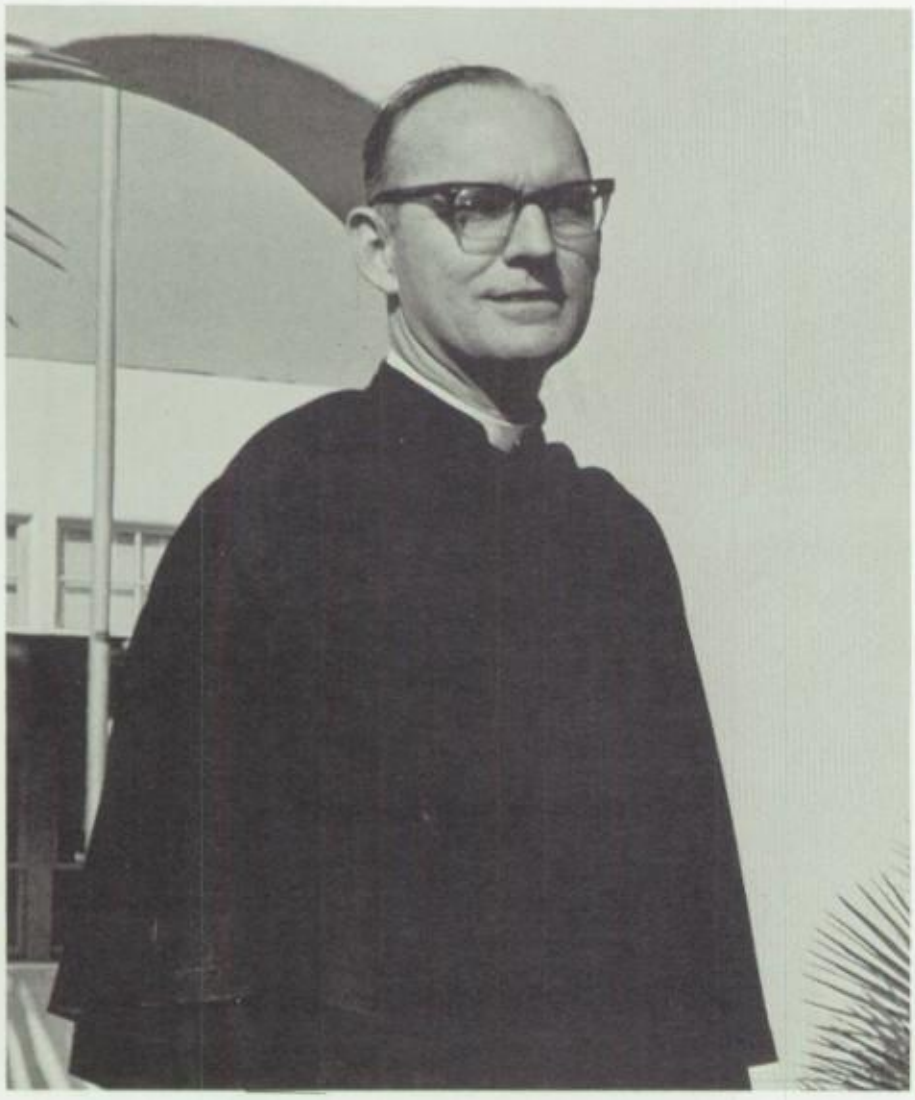
Very Rev. John Blethen
Provincial Superior of the
Augustinians of California



Most Rev. Leo T. Maher
Bishop of San Diego

Most Rev. John R. Quinn
Auxiliary Bishop of San Diego

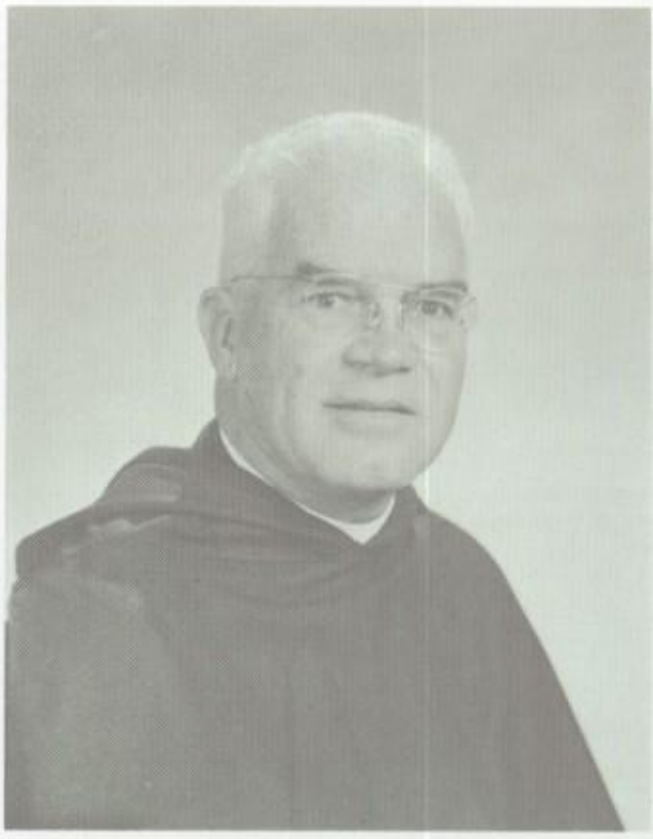
Rev. Patrick J. Keane
Principal of
St. Augustine High School



Rev. William Sullivan
Academic Vice-Principal

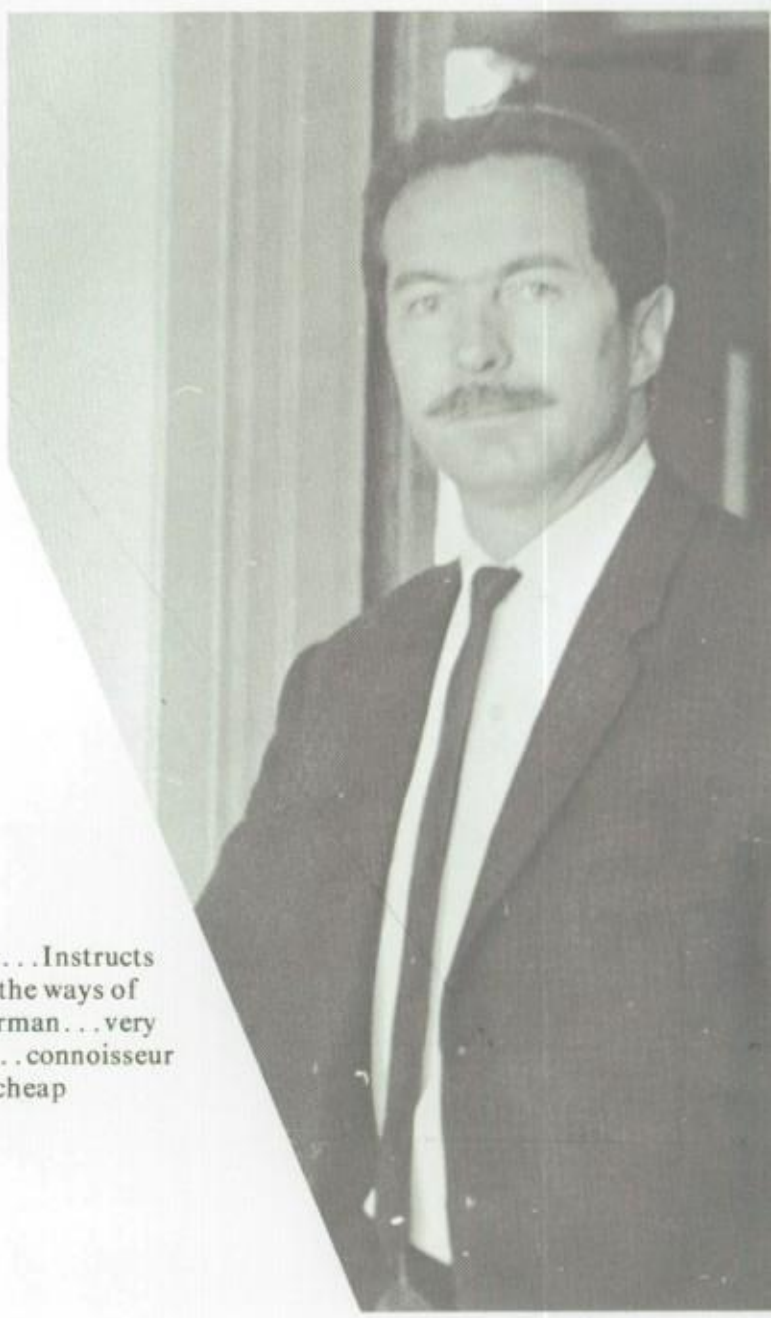
John J. Bowman
Disciplinary Vice-Principal

Mr. Larry Shepard...teaches Freshmen English and helped execute CIF Football championship.

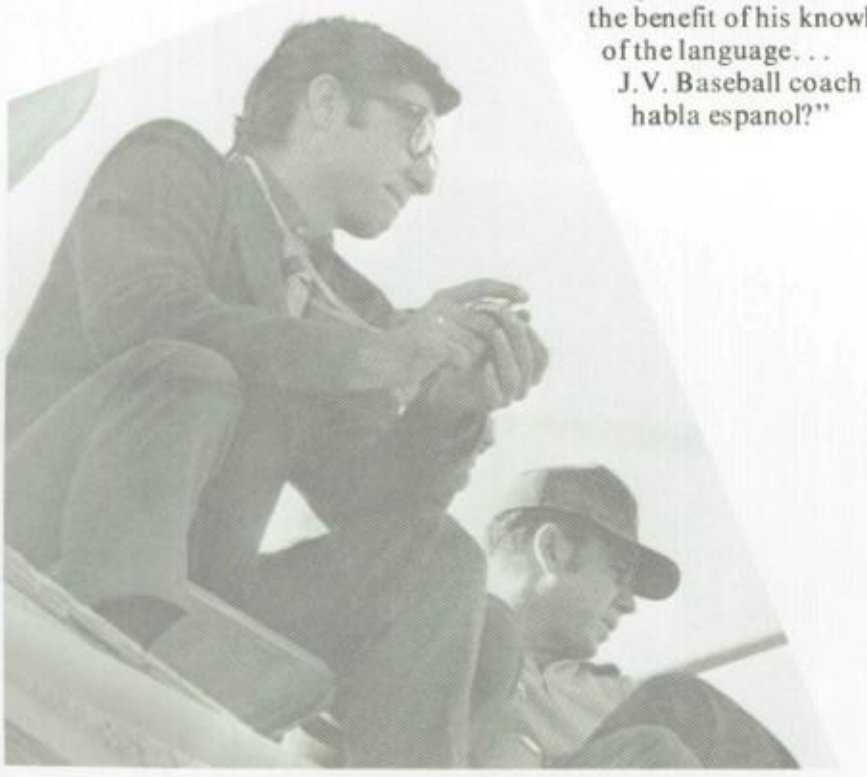


Fr. Thomas Garrett...teaches Algebra...heads Austin Seminary Guild...keeps office machines in tip-top shape.

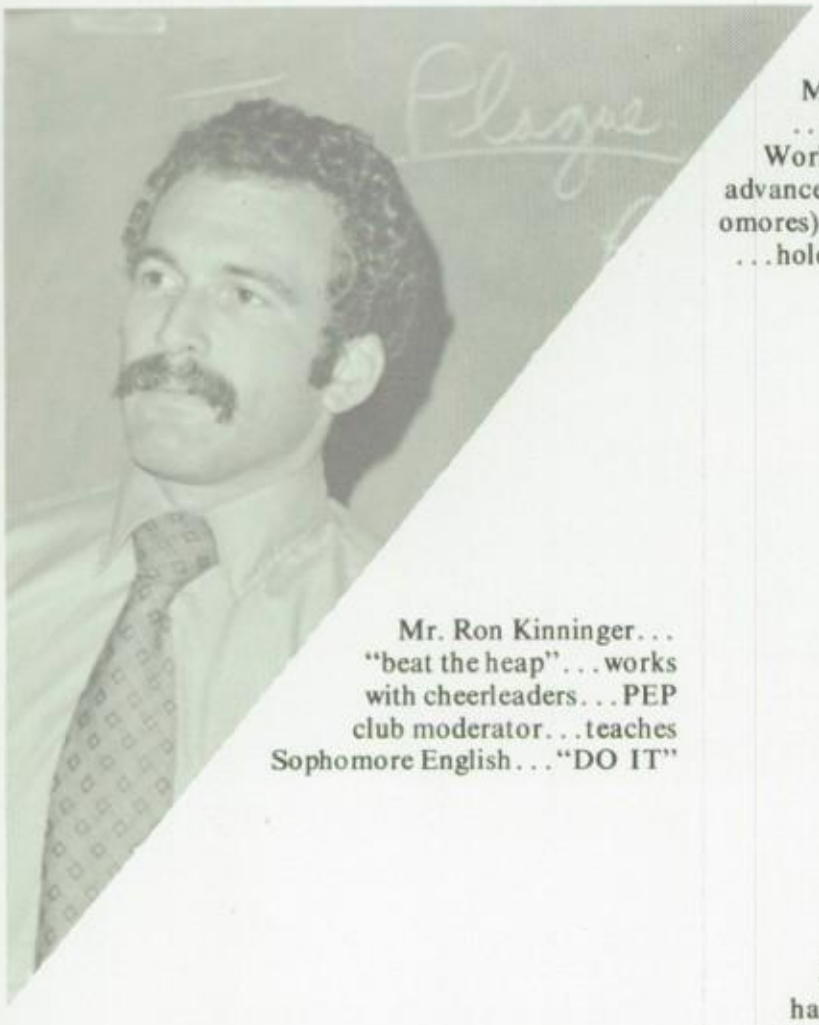
Fr. William Grisw Old ...touchy about spelling errors...teaches Latin and Frosh religion ...also coaches Frosh basketball and keeps customers satisfied...Bowling?



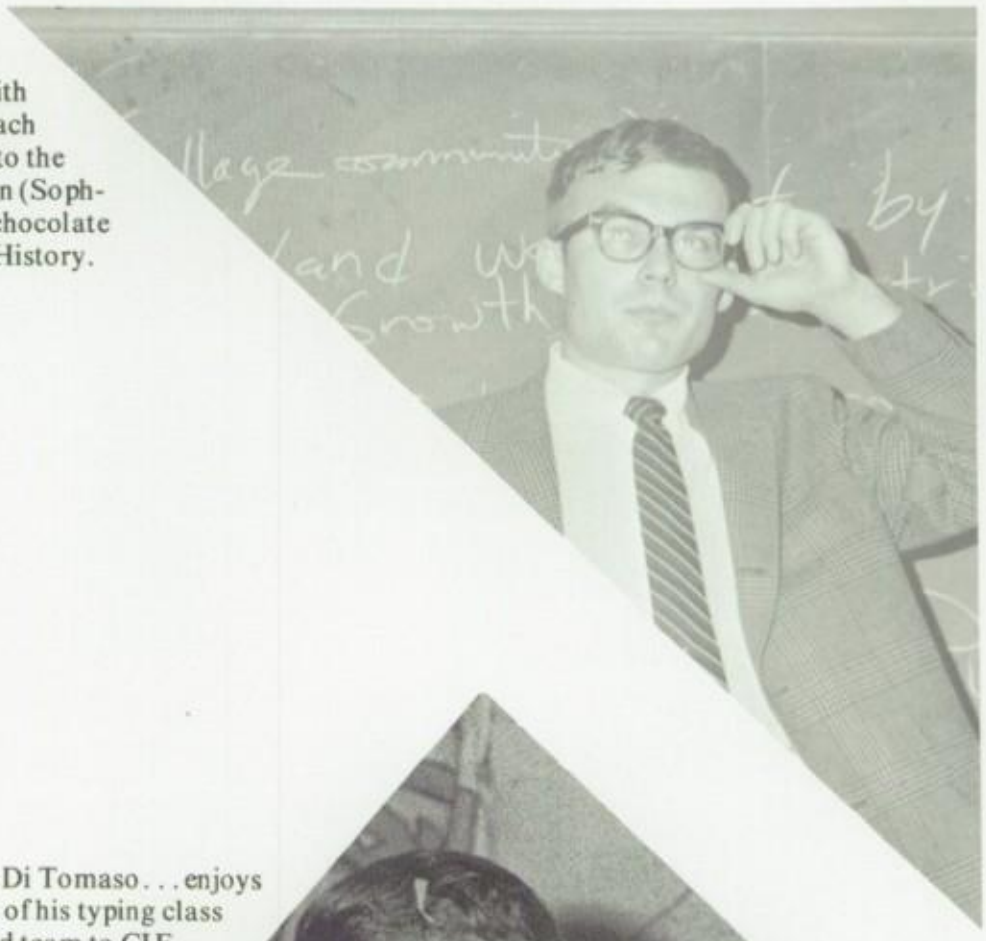
Fred Carbone...teaches Senior Civics...gives the Spanish III class the benefit of his knowledge of the language... J.V. Baseball coach... "?Se habla espanol?"



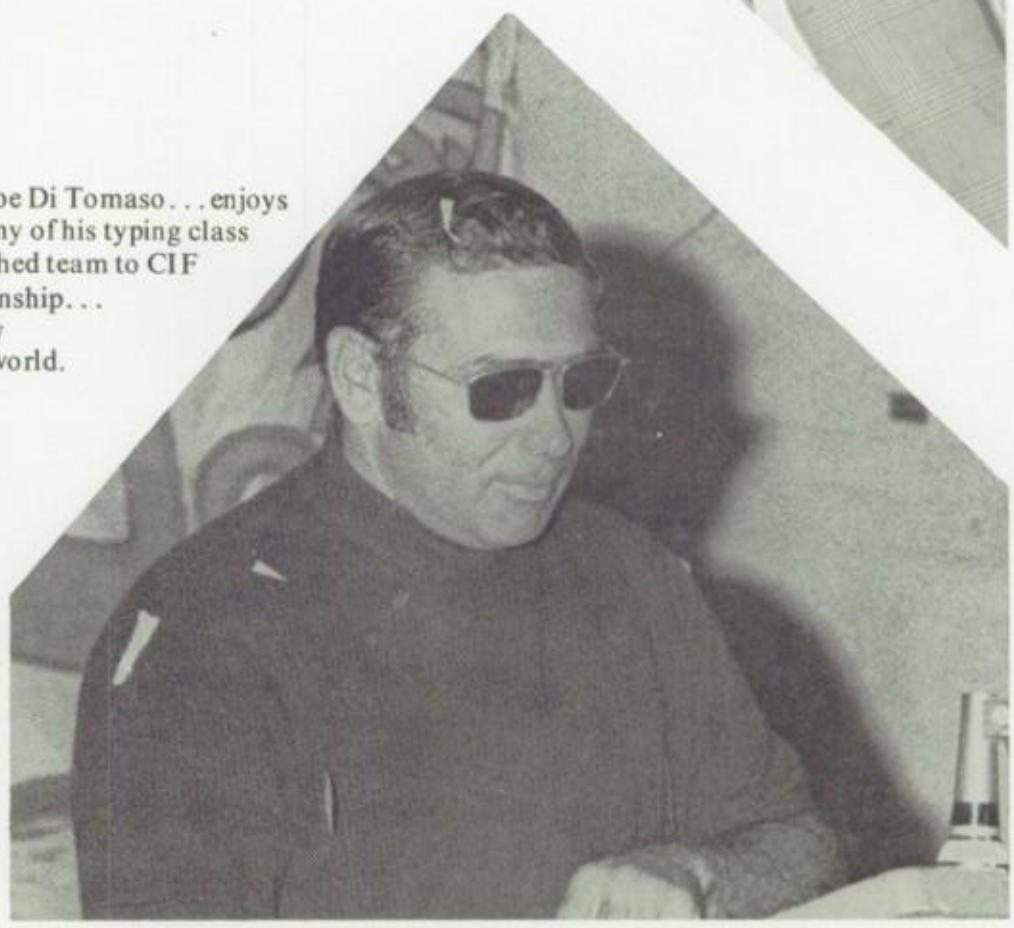
Monsieur de Monner...Instructs young gentlemen in the ways of the French and German...very lax on discipline...connoisseur of fine cars and cheap wine.



Mr. Ron Kinninger... "beat the heap"... works with cheerleaders... PEP club moderator... teaches Sophomore English... "DO IT"

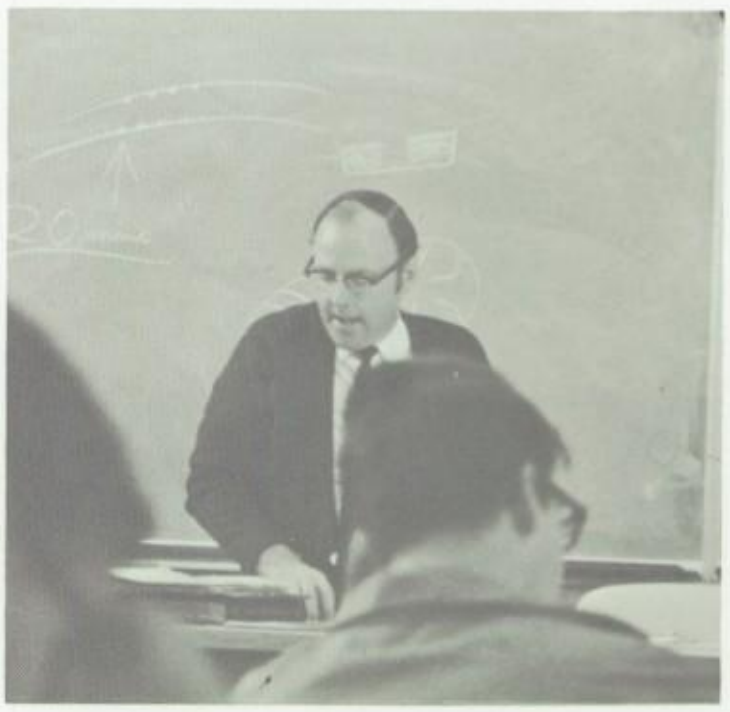


Mr. Ben Smith ...tries to teach World History to the advanced Freshmen (Sophomores)... big on chocolate ...holds B.A. in History.



Mr. Joe Di Tomaso... enjoys company of his typing class ...coached team to CIF championship... has a shady view of the world.

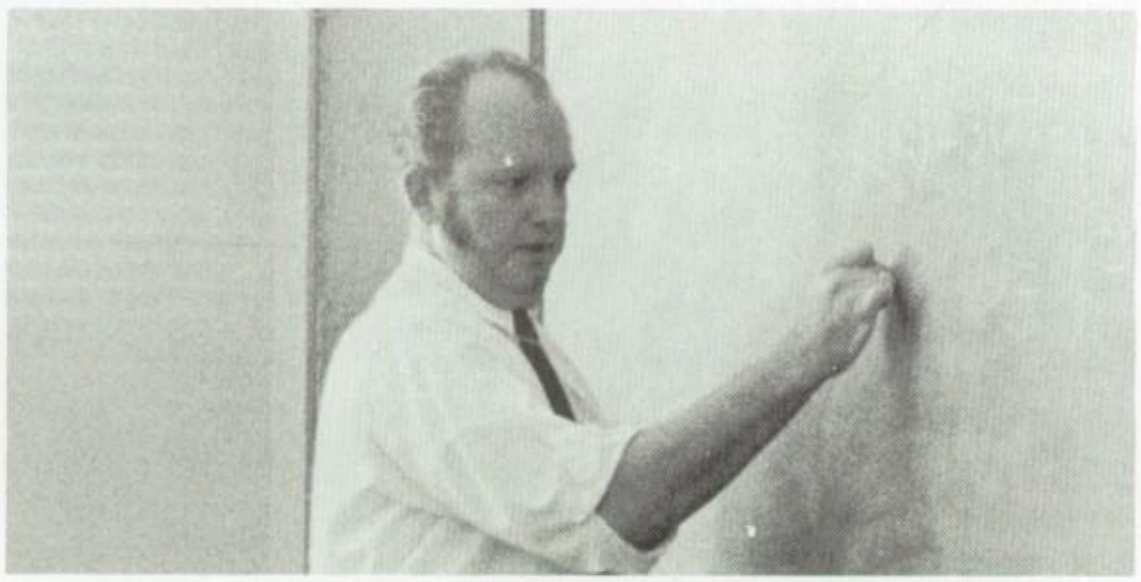
Mr. O'Shaughnessy... teaches Biology... students spellbound by his lectures (Zzzzzzzz)... hassles the harriers... found chemical formula for Canteen food (Carbon-RAdium-Phosphorus)



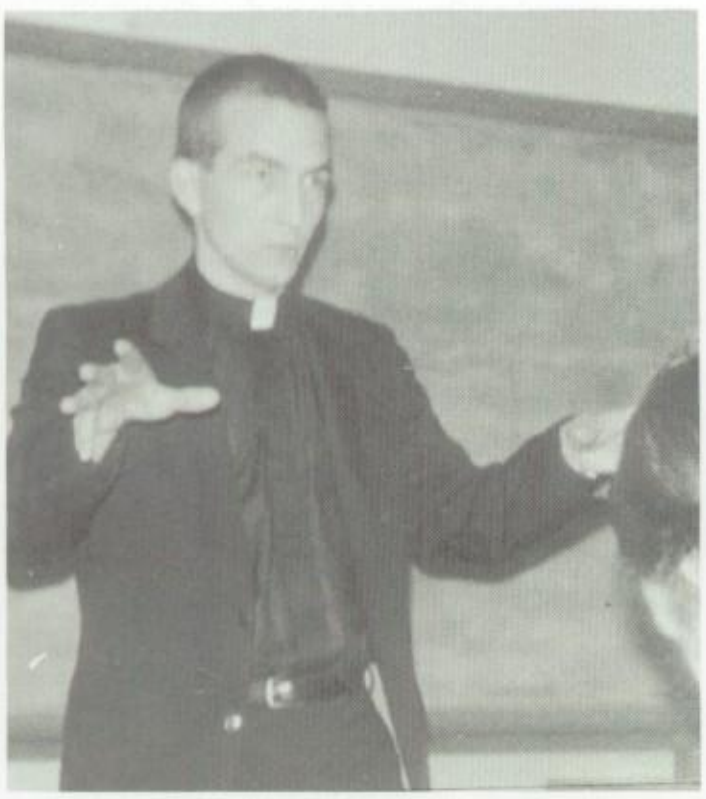
Mr. Ned Wilson... Our Illustrious leader... helps (?) yearbook staff... big in the sciences... raises mice to power his Mustang. Teaches freshman about the earth, instructs Sophomore Biology and advanced Biology.

Mr. Michael Greenwald...B.A. in the Speech Arts...Senior Class Moderator...Alumnus of Saints ('63)...instructs seniors in the fine points of English Lit...beloved leader of the stage and lighting crew. (William who?)

Mr. Gerald Watt...Junior Class Counselor...teaches Religion III and speaks fluent Roman...amazes Juniors with his profound knowledge of Theology.



Mr. Angus MacDonald... provides helpful service by translating simple math into Greek... $y^2x^2-(12-y)^2-x^5-12x^4+13x^3-7$ = number 14 in the sixth race plus $150.



Mr. Richard Hardick..."it's a snap." ...moderates A.S.B....coaches Varsity Basketball...financial genius ...teaches Algebra II and Religion I.

Fr. Jerome Bevilacqua...teaches Senior Religion...Chaplain of school, and as such, instigates many inspiring and profound Religious activities.

Baron von Gengler, SS...moved to beautiful downtown Jamul... teaches Sophomore English and Business Math...arch-rival of the "Duke". Heil!!

Mr. Carl Jennings...runs a daily study hall in Rm. 3...a graduate of Annapolis, Mr. Jennings may be seen, coffee in hand, attempting to interest Seniors in the laws of Physics.

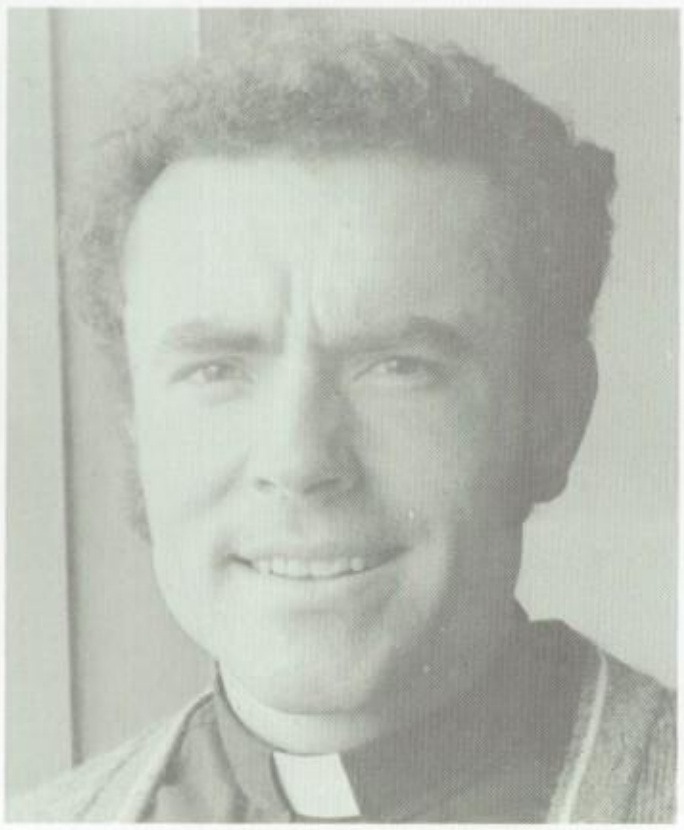
Fr. John P. Pejza...graduate of Saints in 1952 ...teaches Earth Science and Geometry.... graduate of Villanova, Fr. is also the Freshman class counsellor.

Mr. William McLaughlin...dwells upon the profound topics such as Billy Budd... "Tiger" also heads the Jr. Red Cross and teaches English III.

Mr. Bill Whittaker...top man in the P.E. department...builds fine young football players on the JV...been at Saints for "several" years.

Mr. Michael Morgan... Teaches U.S. History to Juniors. Coaches the illustrious and victorious? tennis team.

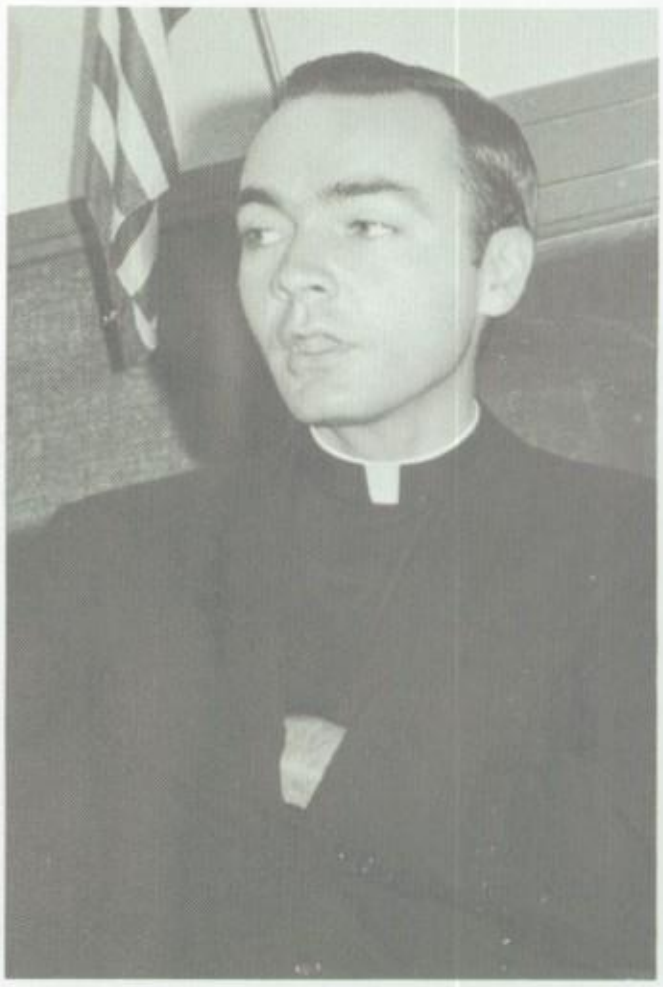
Fr. James Hannon...inspires students in glories of Mexico. Enjoys keeping campus and books in shape.



Mr. Francis Riley...Teaches Spanish and coaches Saint's first official soccer team.

Fr. William Ryan..angel face. Teaches sophomores the way of the Lord..beloved. by all.

Mr. Riordan... Teaches the Freshmen the intricacies of great art. Head of the fine arts department, only teacher in department too.



Mr. Ranallo ... teaches Spanish and Chemistry, almost burned his hand off...constantly reminiscing about past love life.

Mr. Schaitel...new at Saints...teaches P.E. coaches JV Basketball.

Mrs. Wright...runs the library...this year had her library and office remodeled and spent rest of year recovering.

Mr. Henery Frabotta...Proud director of the Saints band...also teacher of driver training (has asked that people would pray for him in his high risk job.)

Fr. David Ryan...Prior of the house...leader of many assorted clubs and projects.

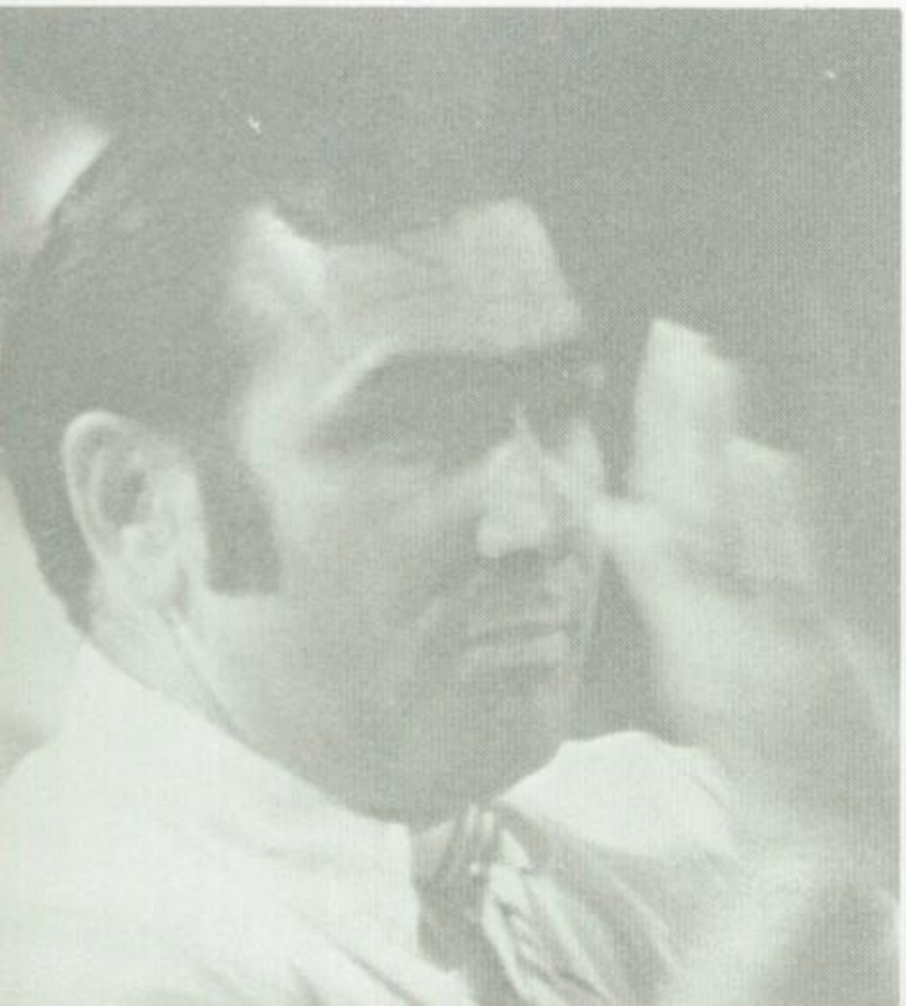
SPORTS

1970 CIF CHAMPIONS



It goes without saying that the highpoint of the year for Saints sports fans was the winning of the CIF Championship by the Saints. We have won CIF titles before, but never in football. For the team, it was the climax of a long, hard season, and for the fans, the climax of years of hoping and dreaming. That "Little School On Nutmeg Street" had finally shown San Diego that it was not size that made for a winning football team, but the spirit and determination of a team, and the little school behind it, to WIN!

Head Coach Joe DiTomaso

THE SAINTS

The Team compiled a perfect record of twelve wins and no losses. This is the first time in the history of Saint Augustine High School that the Varsity Football Team went undefeated. The Team fought its way through the toughest Eastern League yet, to capture the League crown, for the fourth year in a row, and to secure a berth in the CIF playoffs. The 'Saints' then fought their way through the CIF battles to the final climactic game with Grossmont, played at the San Diego Stadium before a crowd of spectators of over 19,000. It was here that the 'Saints' reached out and plucked the CIF Championship out of the Foothiller's grasp. It was nice.

Assistant Coach Larry Shepard

SANTANA

In a tough season opener, the Saints defeated Santana 13-6, in a come from behind effort. After Santana scored early in the second quarter, a touch down was given the SAINTS in the form of a pass interception on the foe's 18. An impressive drive mounted by Tormey and the George brothers, over 80 yards led to another SAINTS touchdown. A fumble recovery by Nathan in the final quarter prevented Santana from changing the game's outcome.

	TCB	YG	YL	NET	TD	AVG	PC	PA	YDS	INT	TD	FD	TOY	PEN	SCORE
SAINTS	35	209	49	160	2	4.5	3	13	40	0	1	8	266	50	13
MADISON	39	155	81	74	0	1.9	4	14	76	3	1	11	150	49	6

UNIVERSITY

Scoring on the first play from scrimmage in the Saints-Uni game, Frank George set the pace in this 32-3 killing. University would have been held scoreless were it not for 20 yards in penalties assessed against the Saints, putting the Dons in field goal range. George scored once more, sharing honors with Monte Jackson: both made two touchdowns. Caesar Renteria added to the score with one more TD.

SAN DIEGO

From the opening kickoff, it appeared that the game was going to belong to SAINTS, as Ochoa took the opening kickoff and at 11:48 in the first quarter, crossed the line. For the second time SAINTS had scored the first time they touched the ball. After the return by Ochoa, the defense took over, stifling all attempts by San Diego. San Diego also held the SAINTS scoreless through out the remainder of the first quarter. In the second quarter, SAINTS, then procede to march down with Froankie George capping it off with a run to the inside. SAINTS scored once again in the third quarter on a 1-yard run by George, ending the game at 20-0.

MORSE

PATRICK HENRY

CRAWFORD

LINCOLN

Pat Tormey, in opposition with Lincoln broke loose in the first play from scrimmage with a 33 yard keeper, but an unfortunate fumble prevented a score on the drive. Tormey had to wait until the end of the first quarter to send Frank George into the endzone. Kokinis expertly placed a field goal in the second quarter, raising the score to 10-0. A third quarter field goal and a first period TD by Monte Jackson gave the Saints the game, at 20-0.

MISSION BAY

In a non-league contest, Saints defeated the Mission Bay Buccaneers 33-6. Pat Tormey engineered a 10 play, 63 yard touchdown drive on our first possession. The Western League team got in three plays before Felix Meza intercepted a pass. Eight plays later, Saints scored again. The pace of the game never slowed, both Frank and Robert George attaining two touchdowns, and Kevan Bantan one. Saint's defense allowed one TD, but made two interceptions, one being most instrumental in the score.

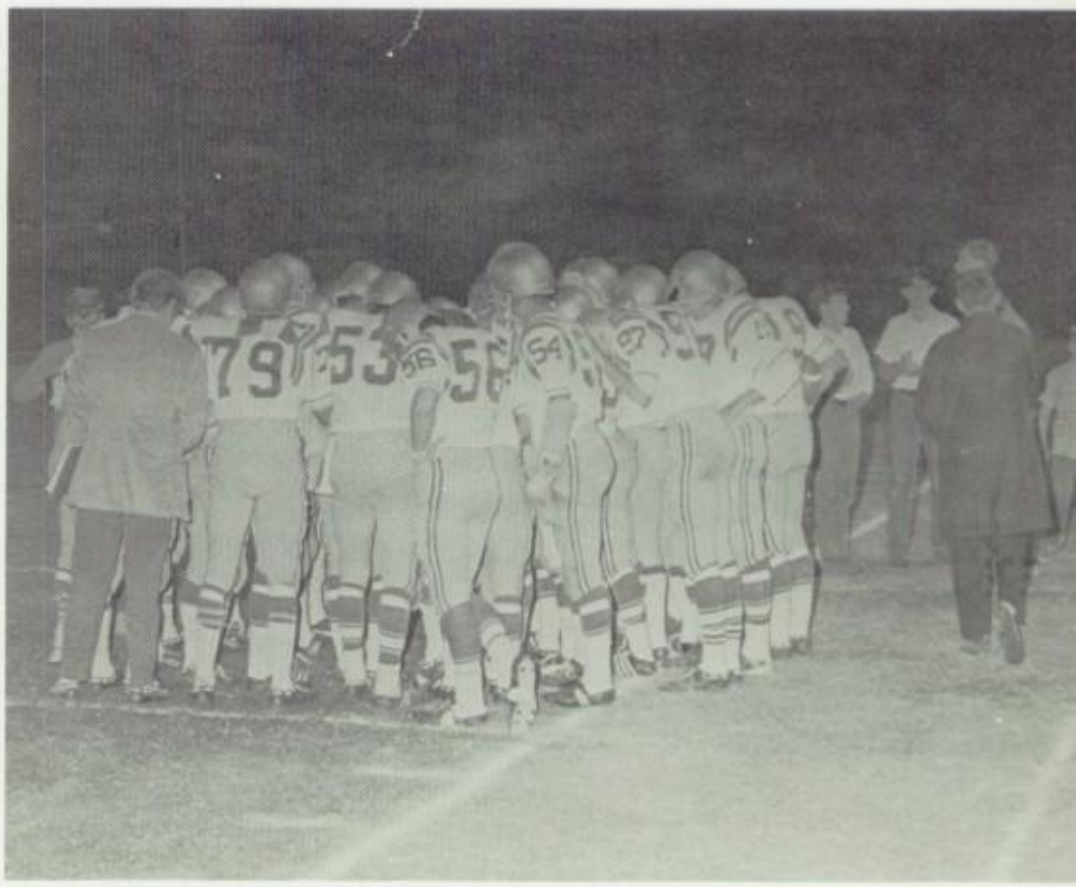
HOOVER

Although getting off to a slow start, the Saints kept a clean record by defeating Hoover 19-0. In the first plays from offense, the Saints employed a "cha-cha" technique (one-two-three-kick), and Hoover followed suit. As the team warmed up, Tormey and his marauders penetrated twice past the Hoover 20 yard line. Finally breaking loose in the last quarter, Kevan Bantan, Frank George and Jesse Ochoa each scored a touchdown. The defensive unit played another flawless game, stopping the Hoover team, at one time, on our own three. Jim Joyner and Brian McColl both recovered fumbles, while Calvin Ricks intercepted a pass.

MADISON

Madison started the game by kicking off, and Ochoa proceded to return it 84 yards, where Frank George went in from the 4. After this there was little doubt left in the minds of the fans, as to who was the superior team on the field. Madison was soon forced to give up the football, and once again a SAINTS drive culminated with George going in from the 4. Saint scored once more in the first quarter, and once again in the second; leaving the score at the half 25-0.

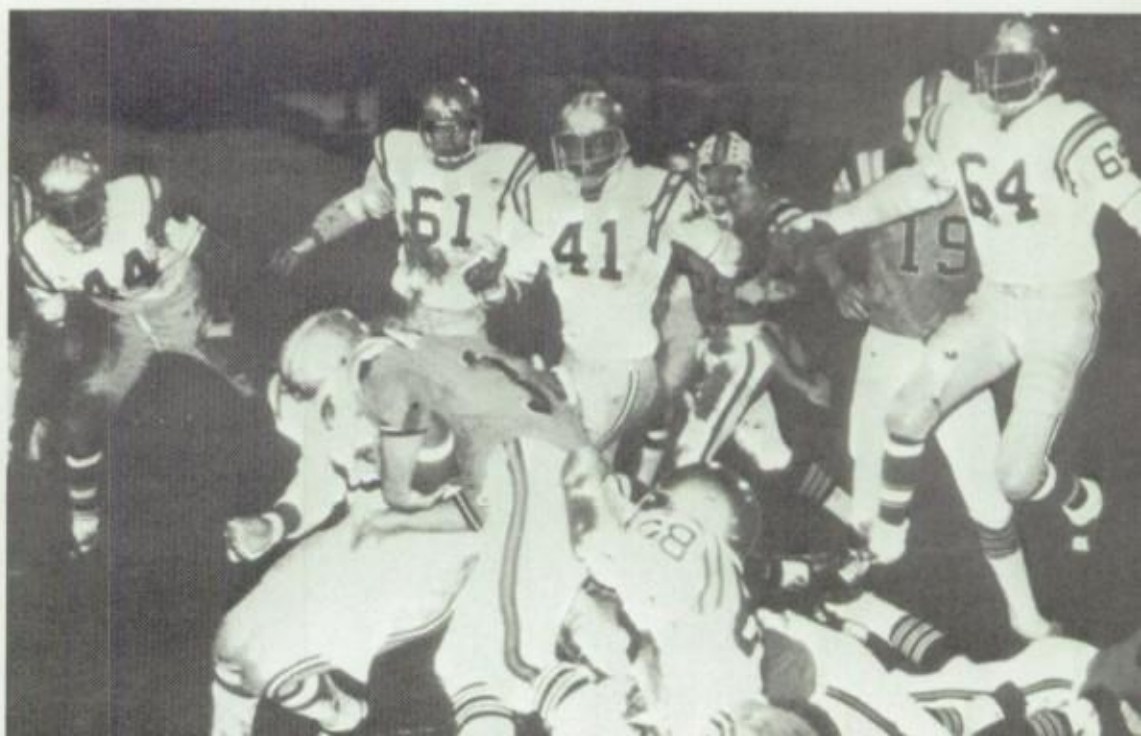
The second half was a repeat of the first, with SAINTS quickly scoring twice. Madison avoided complete humiliation by scoring a last desperate score leaving the score at 38-7.

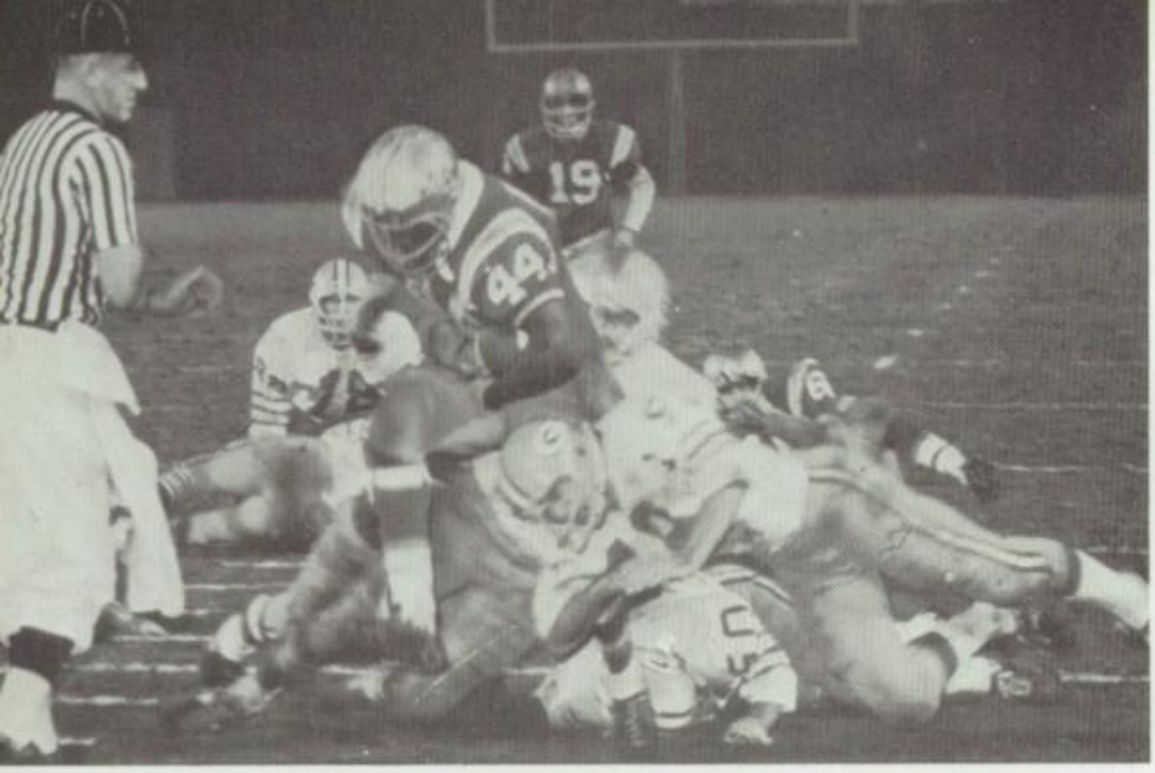


CIF

ESCONDIDO

A high scoring show of power by the Saints demolished Madison, 38-7. Gaining 19 points in the first quarter, the Saints were unstoppable. On the opening kickoff, Jesse Ochoa ran 81 yards, and in the next drive, 53 yards—both lead to scores by Frank George. George drove ahead 78 yards to score in the third quarter, Saint's defense keeping Madison immobile for the first three quarters. Madison was unable to score until the Saint's reserves were sent in, and it took a great deal of effort on the Warhawk's part to overcome these.





GROSSMONT

Combining a defense that refused to bowdown and seven Grossmont errors, SAINT'S football team's finest hour came December 4, as Saints took the CIF county championship over a mistake prone Grossmont team.

Grossmont took first charge, driving down to the one yard line, where, on a hand-off fumbled the ball a yard out of the end zone, and Curt Young fell on the loose ball in the end zone for a touchback. However, SAINTS was thwarted by a stiff Grossmont defense. Neither team could solve its problems with the other's defense.

As Grossmont's problem all nigh, Saints first score came after a Foothiller interception. Robert George picked off the pass on the Grossmont 48, and returned in 39 yards to the 9. On the next play, Frank George took the ball over for the first score. Tom Kokinis then tacked on the extra to make it 7-0. The lone score held up for almost two quarters, until Robert George scooped up another fumble and raced 69 yards for a score, which later turned out to be the clincher.

Grossmont quickly retaliated a few minutes later on a two yard run making 13-8. Grossmont got the ball back with a little over 30 seconds remaining, but alas, Grossmont's CIF hope were dashed as Curt Young intercepted a pass with 1 second to go.

CROSS COUNTRY

This year O's Harriers, were the best ever in Saint's history. The team racked up six wins three loses overall and had a three and three record in league competition. The team also walked off with First Place in the Aztec Invitational, Small Schools Division; and Fifth in the CIF Small Schools Division. The JV also did well providing experienced runners for next year's Varsity, and assuring the Cross Country Teams slow climb to a CIF Title.

SEASON RECORD

The 1970-71 Saints Varsity Basketball Squad, throughout the course of the year, was never labeled a dull team. Yes, they were inconsistent; On some days they beat the best of teams (Lincoln, Patrick Henry), while on other days their activities on the court weren't up to par. However, they could never be called dull. Victories over Lincoln (65-49), Patrick Henry (70-46) and University will be remembered, as will be the first place finish in the University tournament, and the second place finish in the Eastern League.

All-CIF performer Ron Wrigley, who led the team in both scoring and rebounding, forwards Bob McIver, Monte Jackson and Kevin Franc, guards Dave Applegate, Charlie Flower and Frank George, and a great bench support from Mark Kasmer and Herald Hunter, all contributed in bringing the Saints a 17-12 record. Although this is not up to last year's record, it is a fine show for a largely inexperienced team.

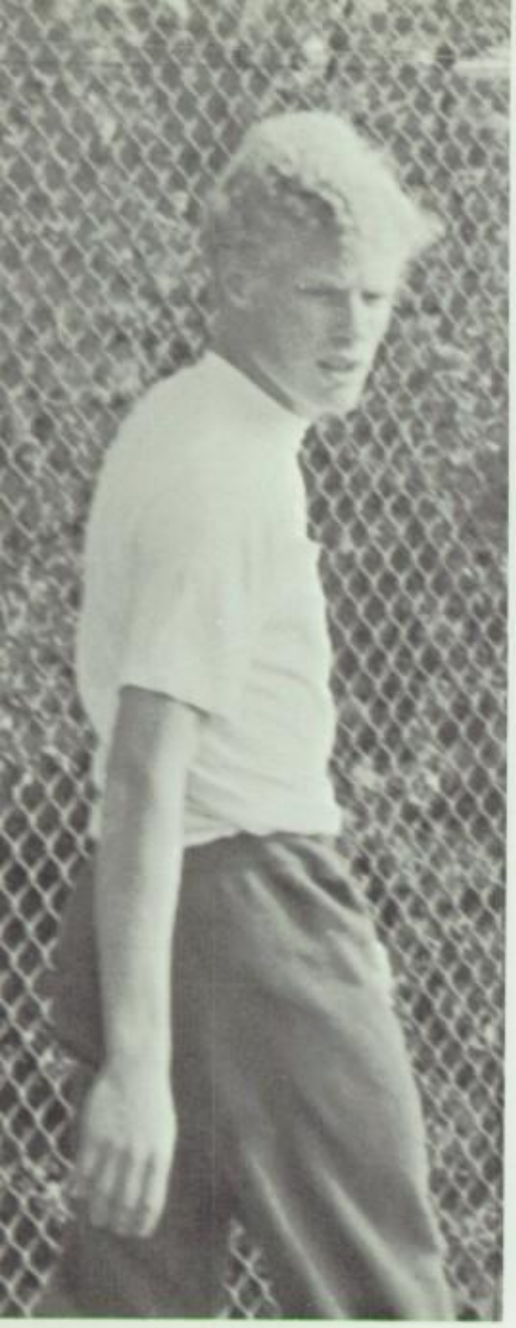
EASTERN LEAGUE JUNIOR VARSITY CHAMPIONS

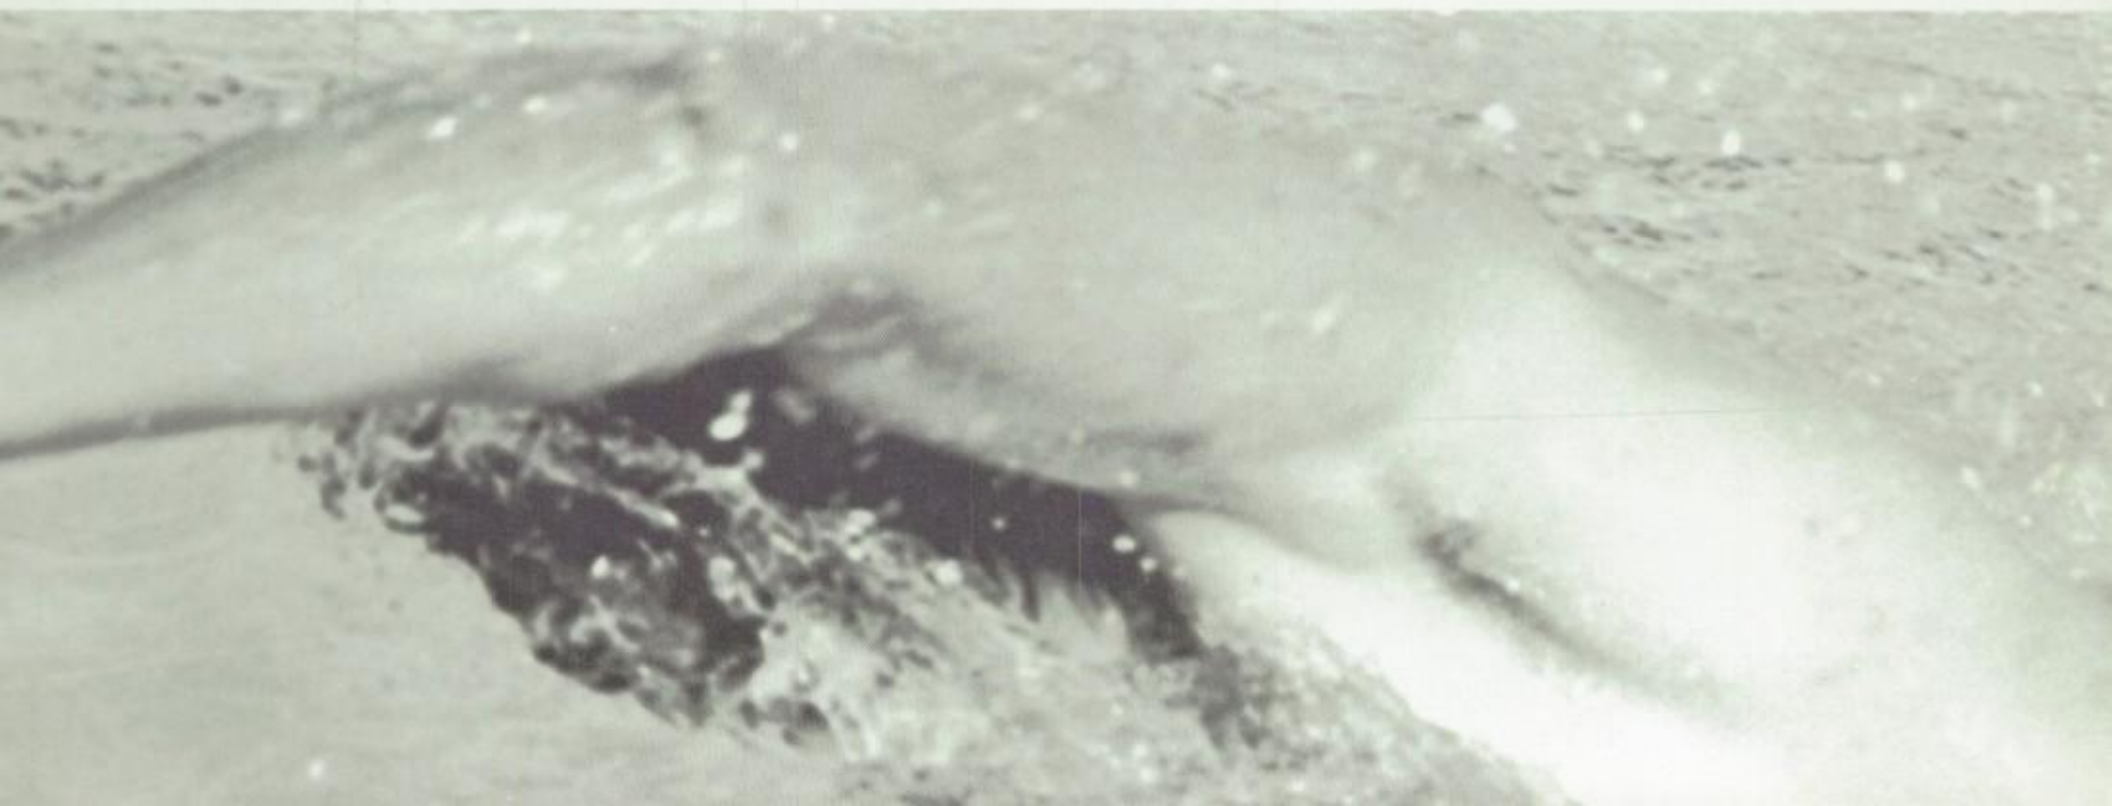
TRACK

The 1971 Track season started off in grand fashion with victories over University, Marian and La Jolla. The winning streak came to an end when the thin clads entered the powerful Eastern League. With 5 out of the 6 top teams in the county in the Eastern League our team was simply out-manned. Despite the team scores our team was loaded with individual performers. Arthur Brown ran through the Eastern League without being defeated. His best time in the two mile was 9:42.2. Brian McColl proved to be the team's largest point-getter. His jump of 21-11 ½ put him in the top ten in the county. Saints CIF defending champ in the 220, Jesse Ochoa, was plagued by injuries most of the season, but seemed ready for the CIF finals and a repeat victory. Other performers that always picked up points were Scott Mowrey in the High Hurdles, Joe Loomis in the Middle distance, and our dual in the mile of Doug Smith (4:36) and Liebrato Guerrero (4.44). When Arthur Brown wasn't winning the Two Mile, he could count on Dale Young to not be too far behind. In the Field events, Brian Newell and Mark Grisez always scored points in the Pole Vault, and Bill Ambort and Jim Joyner in the Shot.



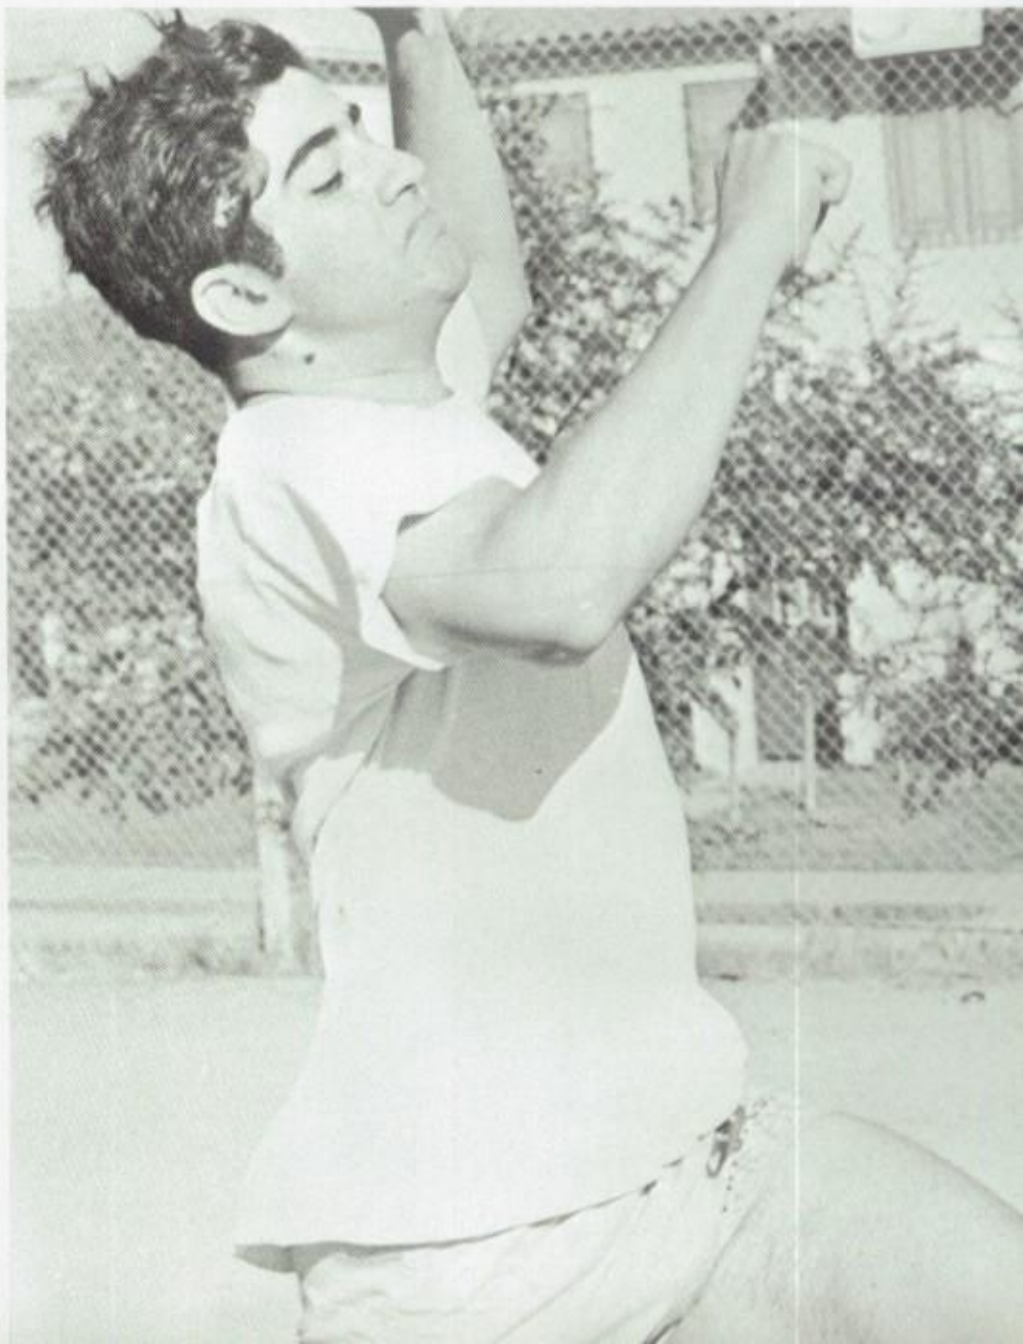
SWIMMING

Under the direction of this year's rookie coach Carl Jennings, the swimming team swam their way into a 7-4 overall record. In the CIF individual competition, Mark Augustin took first place in the "C" Breaststroke. Pat Lowery, Pete Rooney, and Brian Akre also placed in CIF competition.



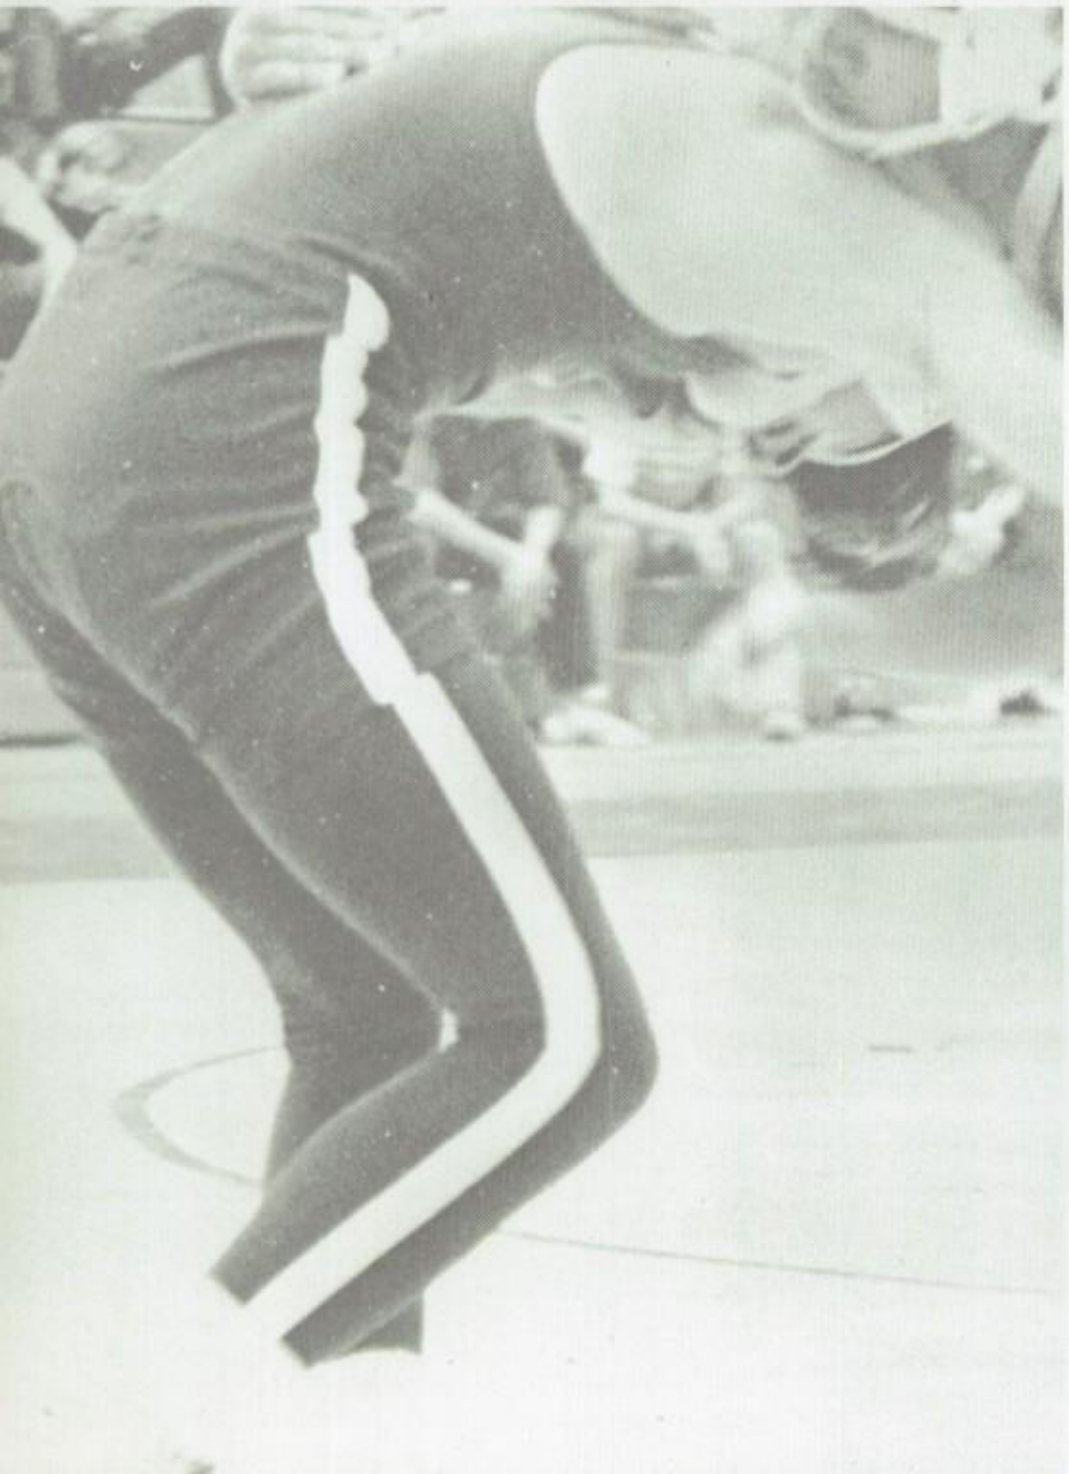
JUNIOR VARSITY TRACK

The JV season was filled with great individual performances. In the 880 Rick Rosas and Dan Carey did the job. The JV had a host of good sprinters which included Ray Hernandez, Ron Wiggins, Joe Flores, Joe Lopez, Greg Gomez, and Oliver Brown. The Hurdlers proved the biggest point-getters with Dave Marfin, Neal Moquin, Scott Dries always winning their events. In the 440 you could always find Joe Johnson and Chuck LaMandri. In the field events John Newell and Randy Hungate found victory in the Pole Vault, while Colin McColl, Fernando Igartua, John McElwee and Greg Gomez all won points in the Long Jump. Steve Coram could be found battling Mark Grassi and John Kumple in the Shot Put.



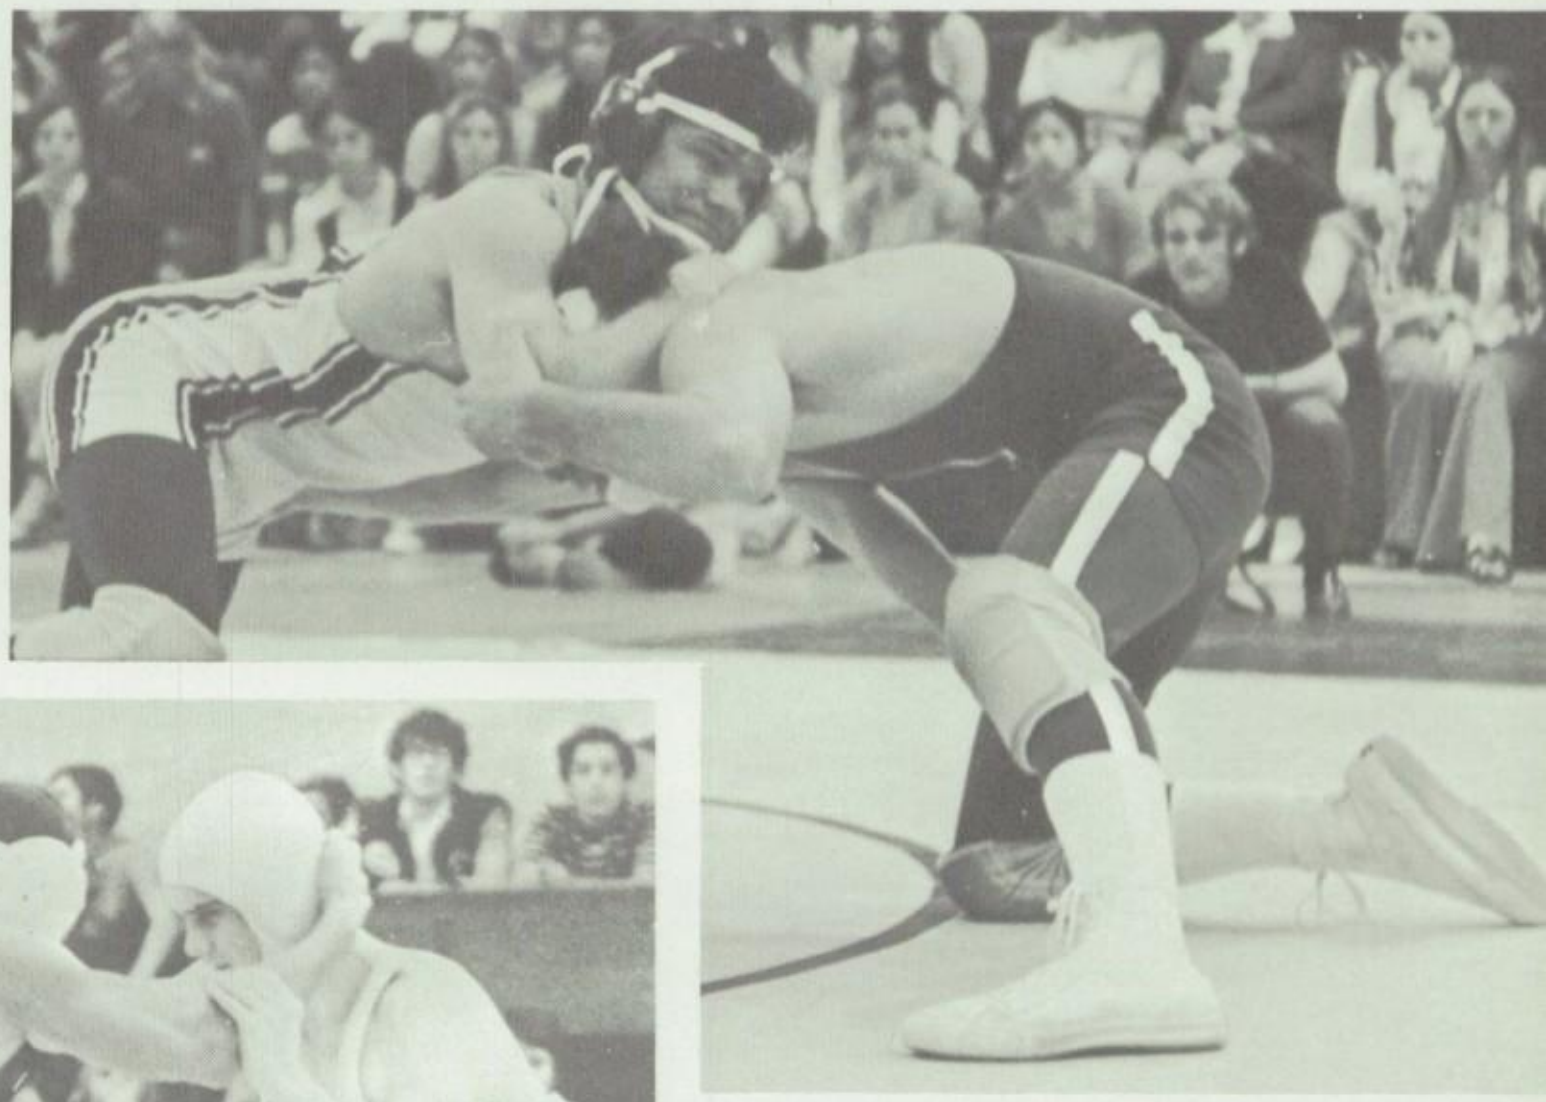
SAINT AUGUSTINE CANOE &KAYAK SOCIETY

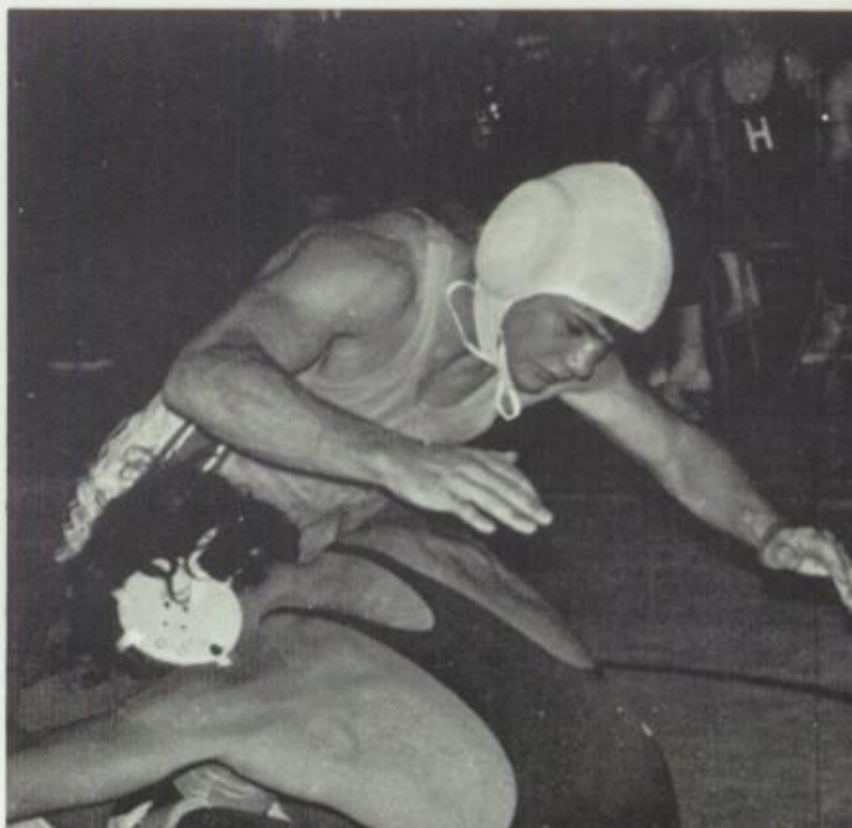
Among the more insane of this year's activities was the formation of an organization known as the Saint Augustine Canoe & Kayak Society. Originally considered as somewhat of a non-existent party of non-existent individuals, SACKS, in the course of the school year, acquired a grand total of four members, including our foreign correspondent to Bonita Vista High School, Martin Fink. The group successfully completed two missions, one of which took place in the perilous waters of Mission Bay. The other noteworthy activity was a harrowing 75-mile trek down the Colorado River. As this feat was also accomplished by a certain Mr. Hardick & Co., a certain amount of credit is due to the latter. However, that is another matter. It should be mentioned that the trip was not undertaken solely for the purpose of rest and relaxation. Projects generally concerned with water conservation and preservation of wild life were also carried out. It is unfortunate that there was a lack of members and activities. Nevertheless, the general spirit resulted in a faction which was not only interesting, but promising relative to the future aquatic ventures of this school.



WRESTLING

This year the wrestling team broke in a new coach: Mr. Larry Shepard, the assistant football coach. Despite this change the wrestling team was still unable to solve the problems which have plagued it since its beginning, and kept it from capturing the title which it so rightly deserves. However, Coach Shepard is confident that these problems can be solved and the team will triumph next year.





GOLF

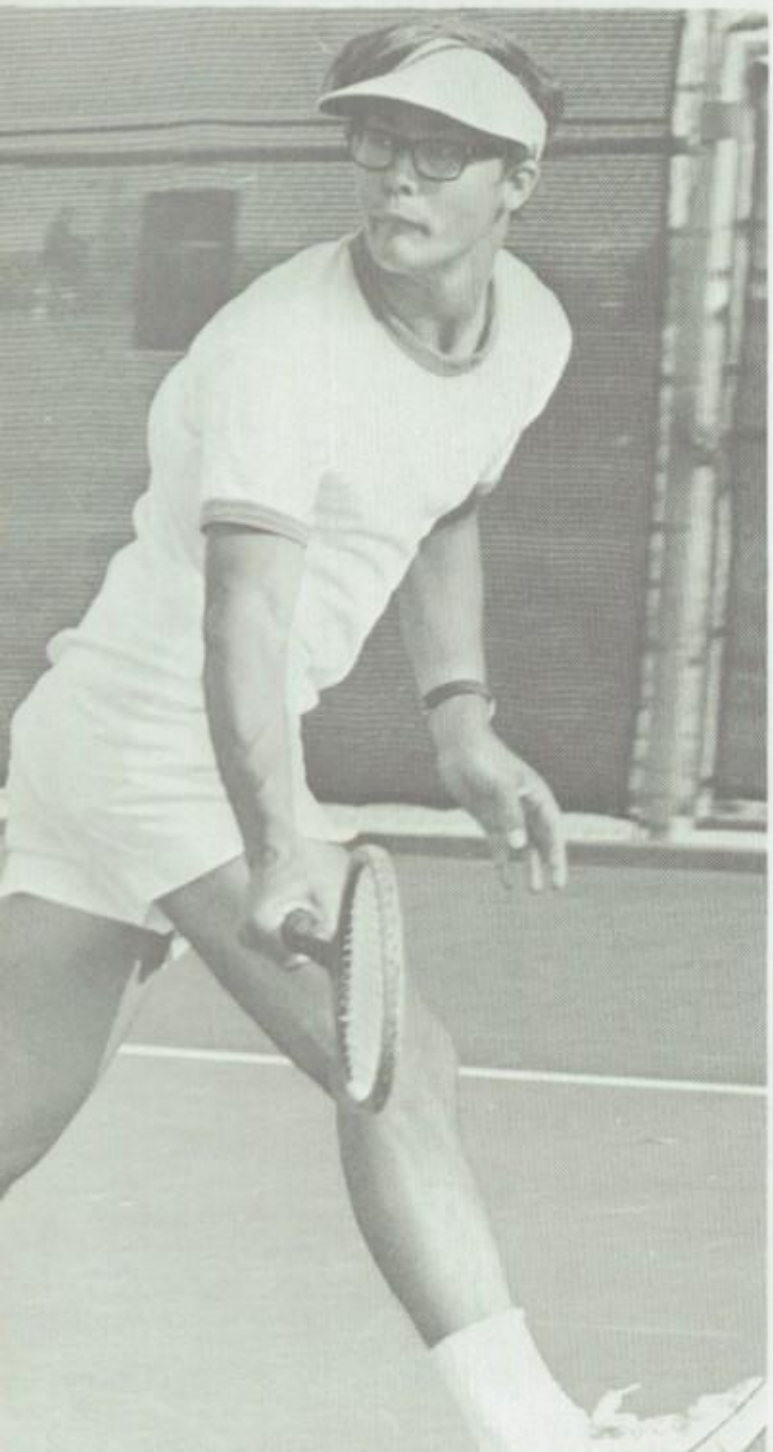
Coach Angus MacDonald, in his second year as golf coach, managed to build himself a team that was competitive in league play. The team, under the leadership of captain Dan Crotty, and with the help of returning letterman Mike McClure, showed promise, despite a poor start. The team also broke in several underclassmen to help propigate the teams fine record next year.

SOCCER

Last years soccer "club" was hampered by many things. First it didn't have team status, instead of games being organized through a league, the club competed with other school's clubs. Secondly the club did not have a coach. This year both were remedied. The club became an official team and competed in the newly formed Eastern League Soccer Division. And the team got a coach. The equally new Fr. Riley was given the job.

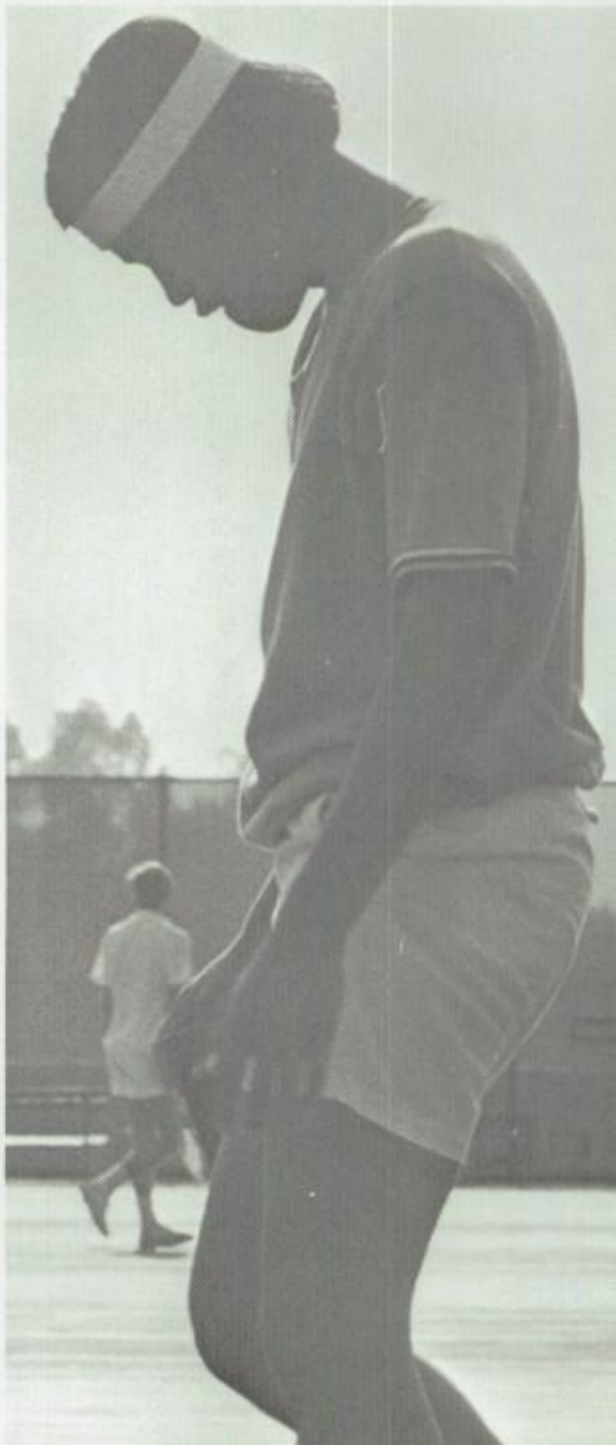
The team finished with a six win and three loss season record.

Coach Fr. Riley



TENNIS

Although this year's team did not do much better than last year's, some new records were set. For instnace, Mr. Michael Morgan, the coach, attended practice three days in a row, which both astounded and floored the team. Mr. Morgan also rewrote the record book by showing up for all the matches. All is not lost, however. The team did manage to cultivate some good prospective juniors for next year's team.



VARSITY BASEBALL

When they said last year that this year's team couldn't be stopped, they meant it! At the time of the Yearbook's final deadline, the team was undefeated with a record of 5-0. Included in these victories were the favored teams of Lincoln and Crawford. The Saints are, at present, the only remaining undefeated team in the San Diego area. People have already started talking about 9 CIF championship. If this talk becomes reality, it will be due mainly to the strong force of returning lettermen. Included in this group are Rod Spence, Ron Wrigley, Pat Tormey, Tom Carter, Ron Milner, Dave Hemus, and Bruce Bulcao. Also helping to make this a great season is Steve Arsulich, who can swing a golf club as well as a bat. It is very possible, with this bunch of players, that Saints will walk off with the championship.

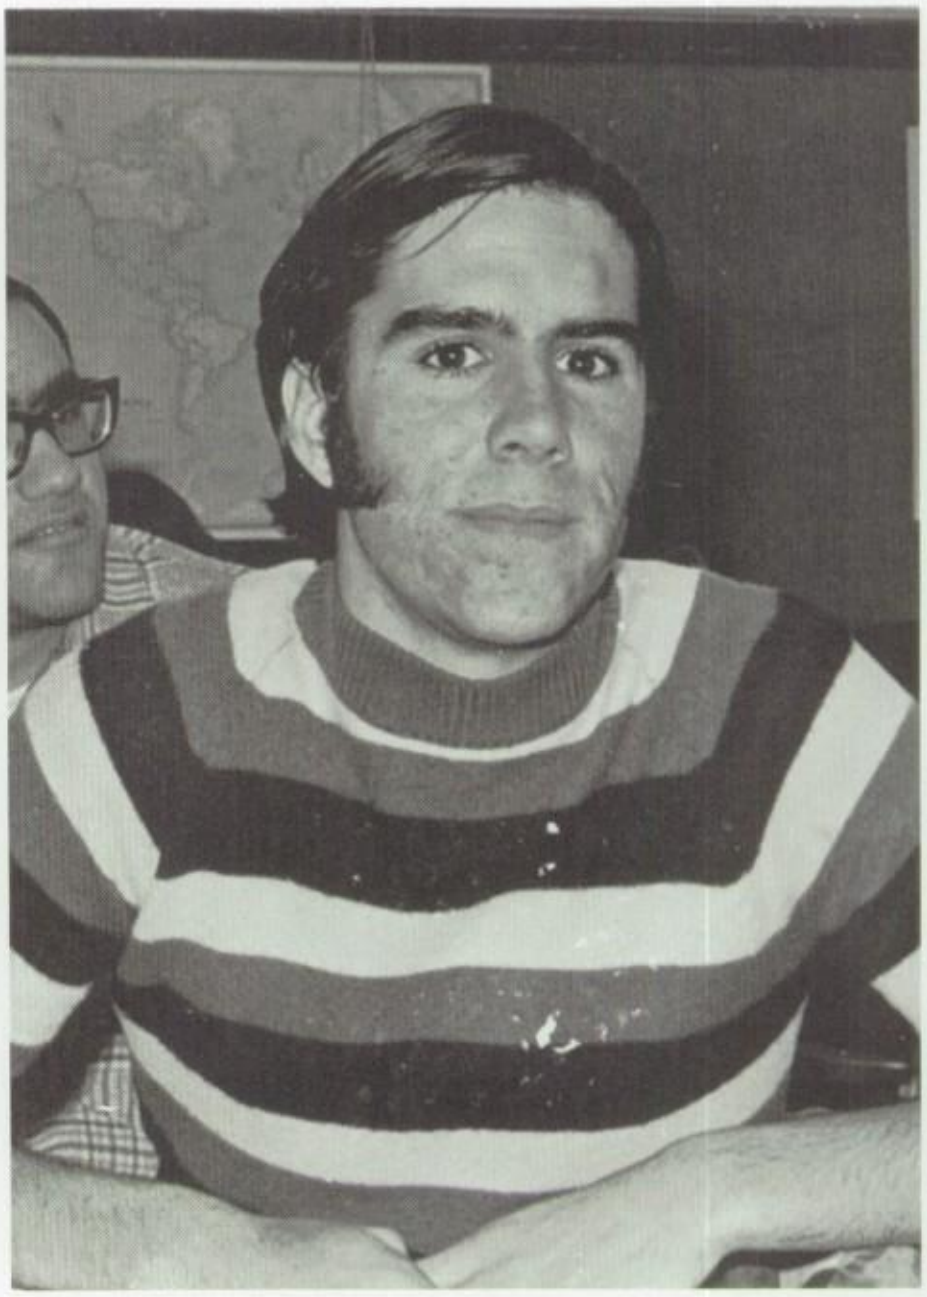
ASB OFFICERS

President: Felix Meza



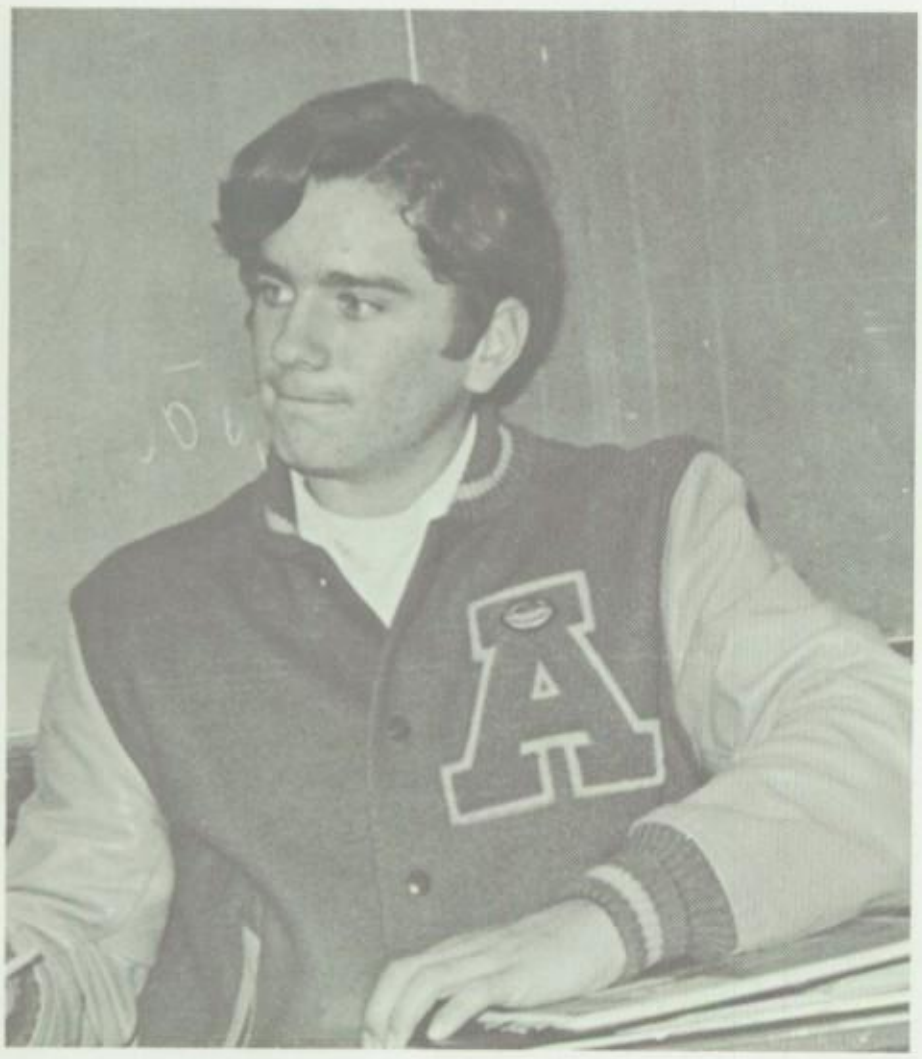
Vice-President: Dennis Buchanan

Secretary: Eugene Wahl

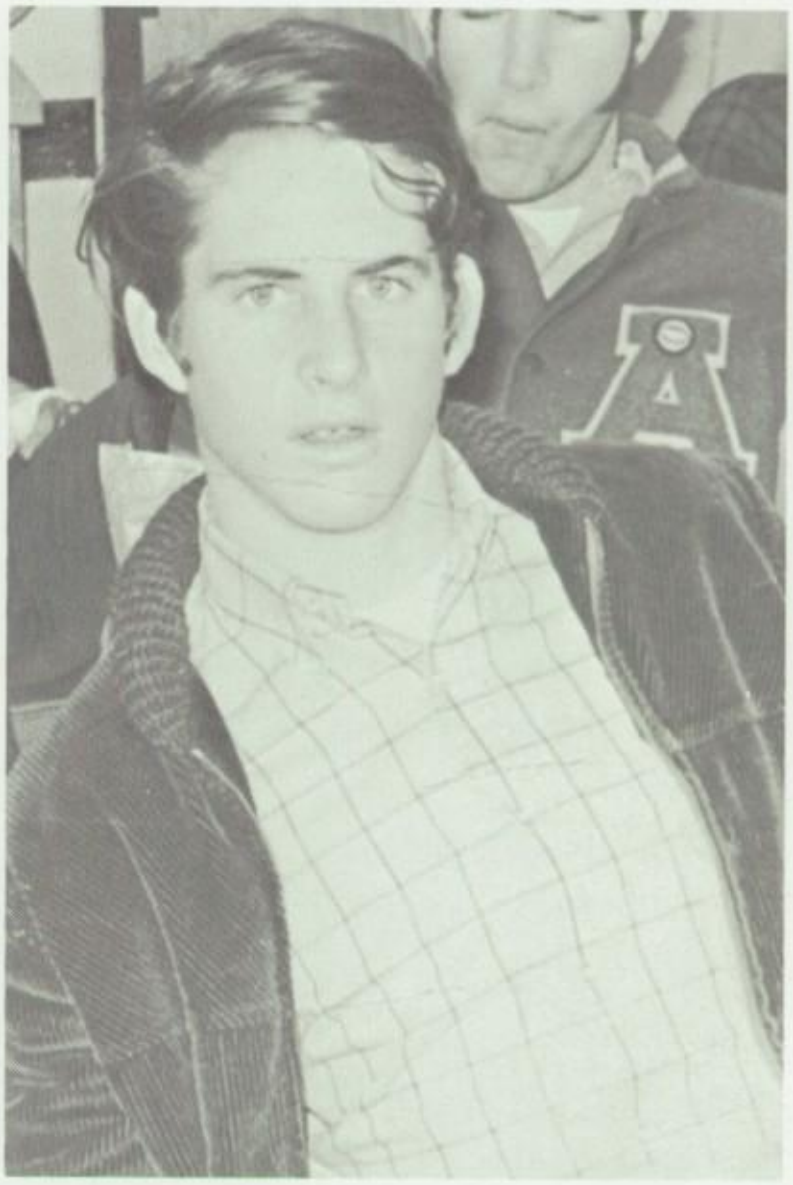
"If next year's Student Council is going to be as good as this one, it will have to work very, very hard." That's what they said last year. It was a hard act to follow, but this year's A.S.B. did it.

This year's A.S.B. Council started a drug program, inviting members of the Drug Assistance and Rehabilitation Education to talk to interested Students every week. This besides ordinary A.S.B. duties such as sponsoring dances, organizing assemblies, the A.S.B. Ball and the Prom. For the first time at Saints, the students have colored A.S.B. cards.

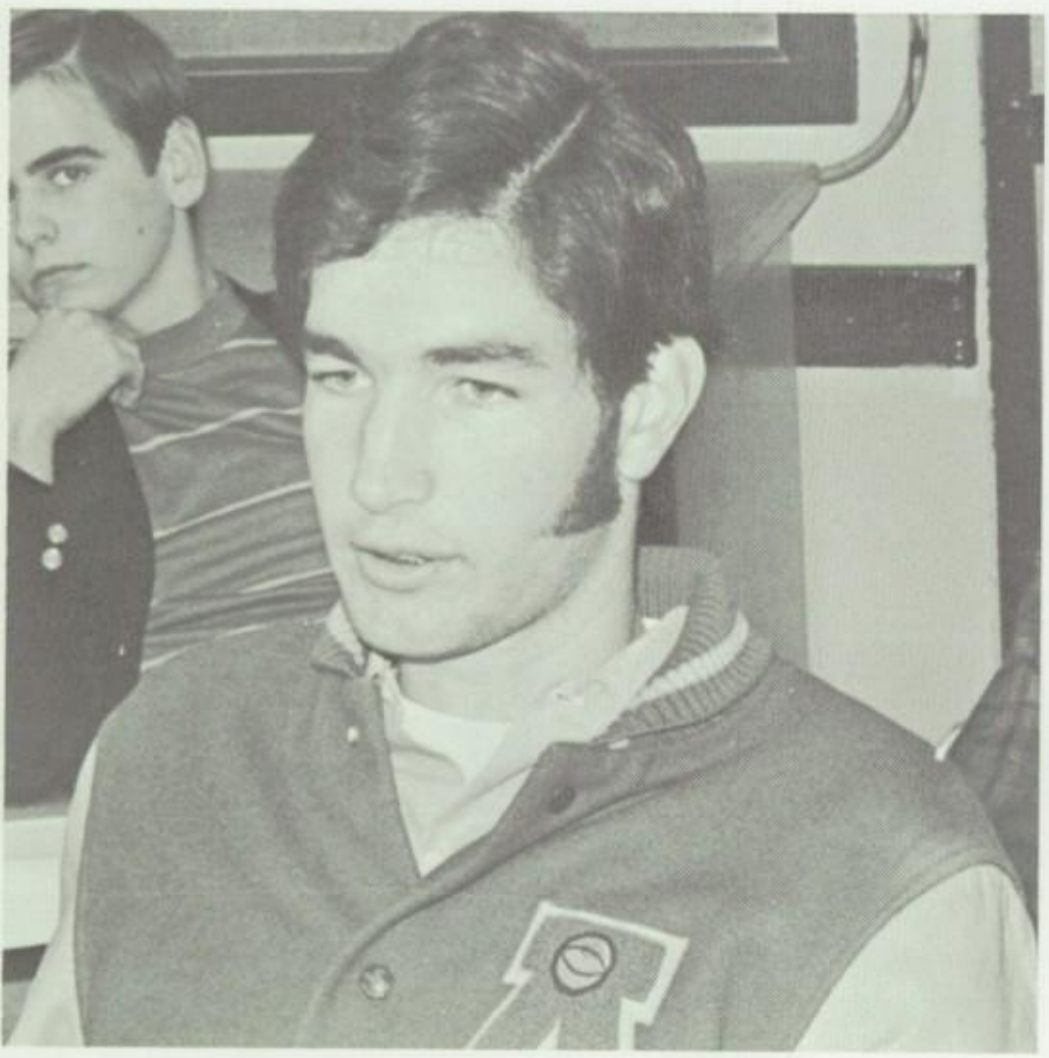
We don't want to sound repetitive, but if next year's Student Council is going.....



Treasurer: Hank Adams



Commissioner of Communications: Tom Carter



Commissioner of Elections: Ron Wrigley

Moderator: Mr. Hardick

AUGUSTINIAN

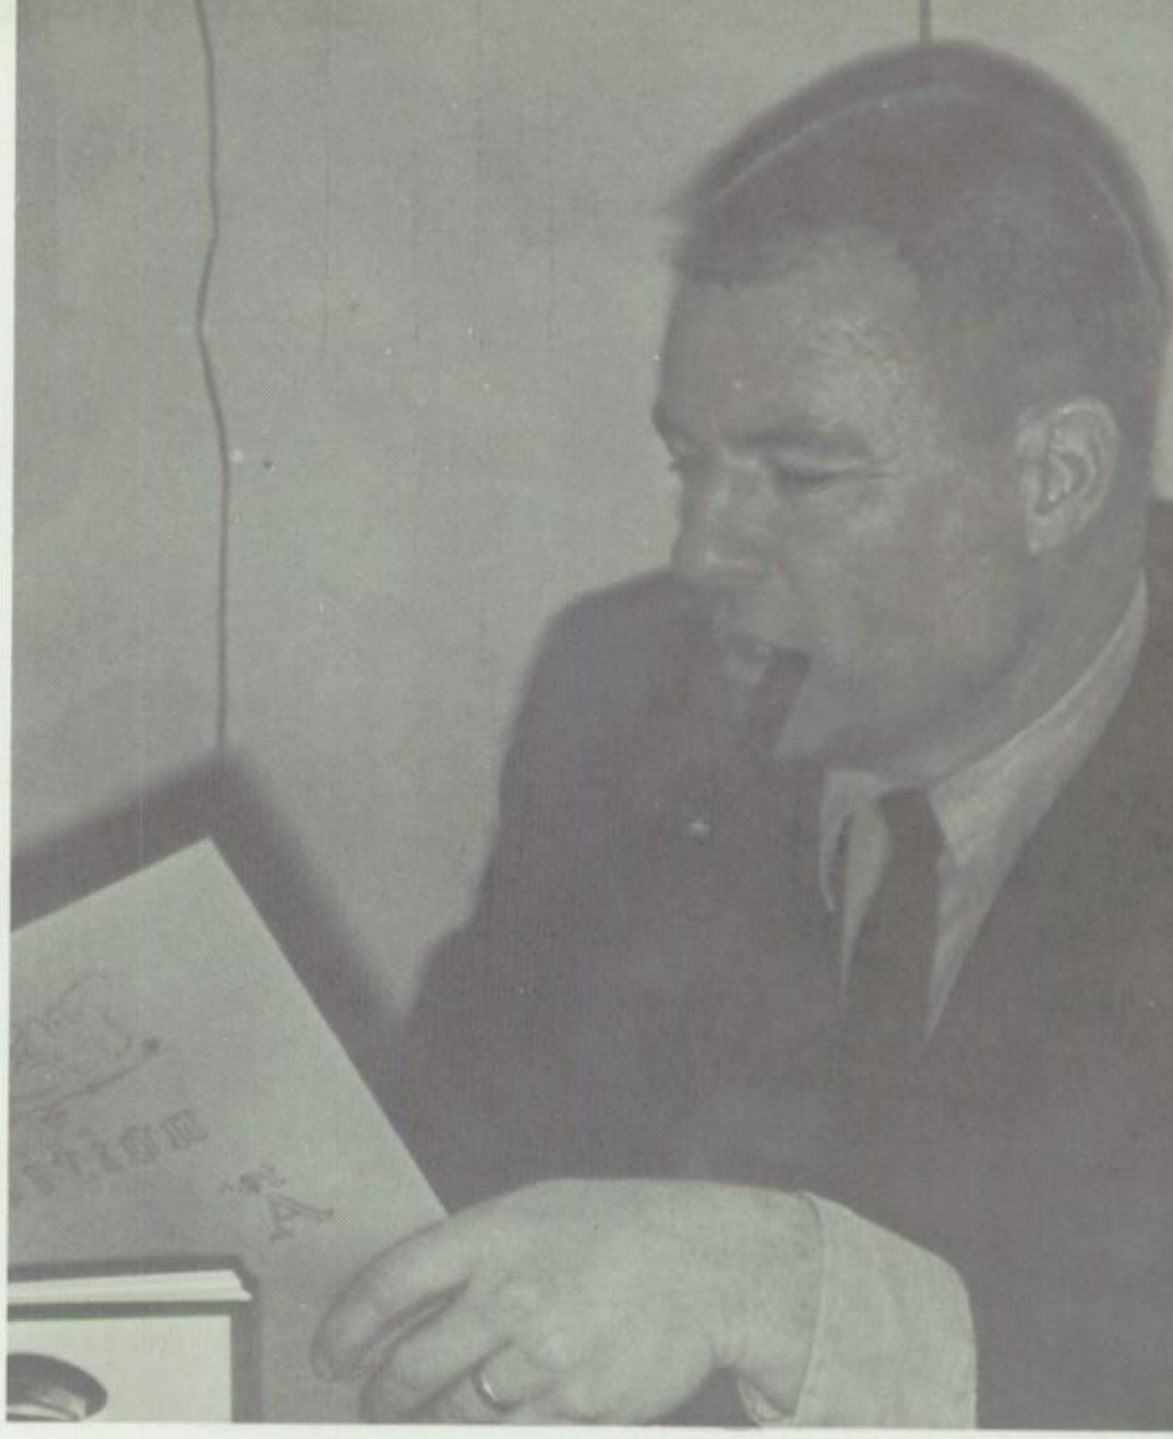
AUGUSTINIAN Moderator, Mr. Ted McLaughlin

While this years AUGUSTINIAN was not one of the most often-seen publications in Saint's history, it was one of the best. This can be largely attributed to the fact that the moderator was one the first English teachers to moderate the paper. The quality can also be ascribed to the editor, Dan Crotty, and to his assistants, headed up by Tom Waldron. Among these are Jim Yeatts, Features Editor; Jesse Robles, Activities Editor, Joe Utchig, Sports Editor; and Phil Lorang, News Editor.

Bottom Row: John Taylor, Phil Lorang, and editor Dan Crotty, Top Row: Chuck Martinez, Steve Micheli, Joe Utchig, and Eugene Wahl.

TRADITION

Once again, through the able leadership of Mr. John Bowman and careful direction of Steve Micheli, TRADITION got it all together. Students were able to express their feelings through their creative works presented in this booklet, published twice during the school year. Ably assisting Steve are John Taylor, Eugene Wahl, and Steve Esmedina.



Below: Editor Steve Micheli with assistants Eugene Wahl, John Taylor and Steve Esmedina

Head Honcho: John J. Bowman

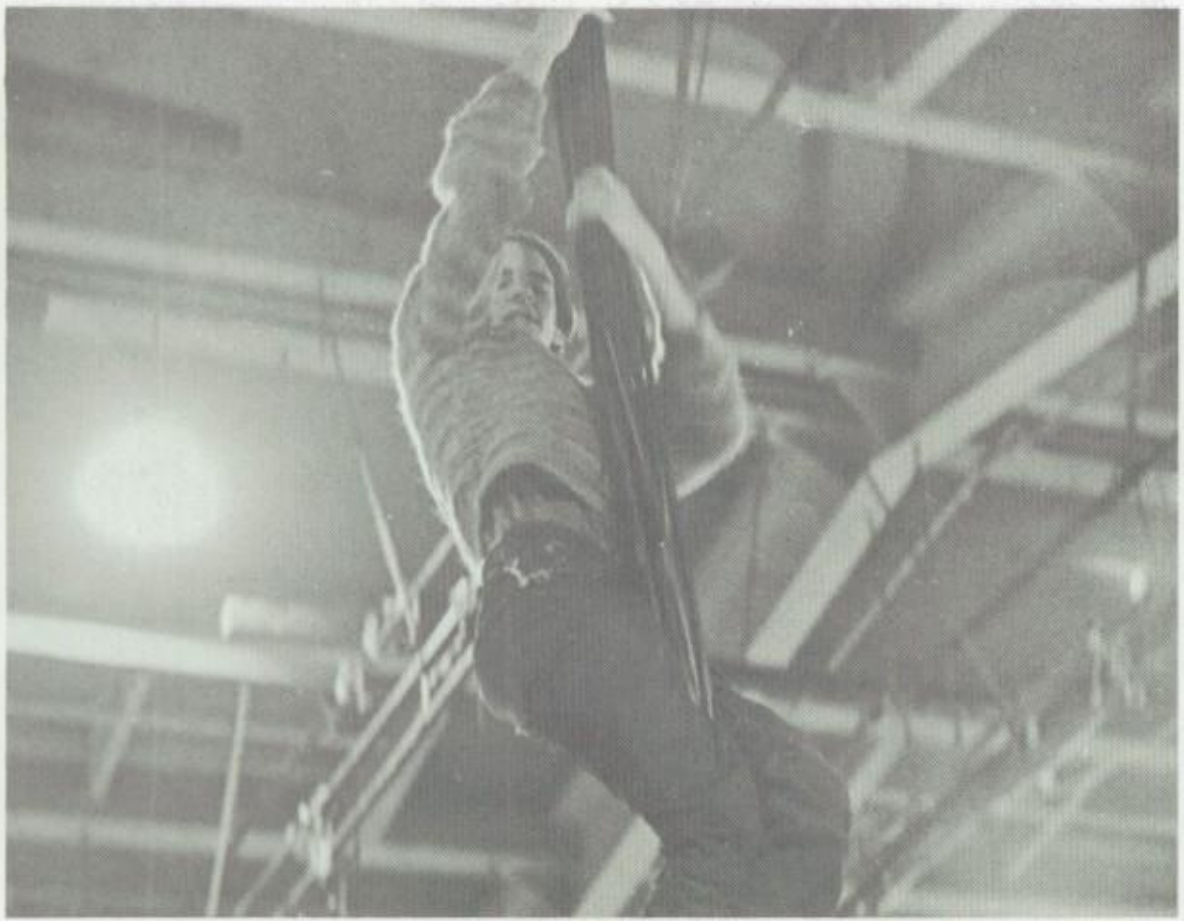
STAGE AND LIGHTING CREW

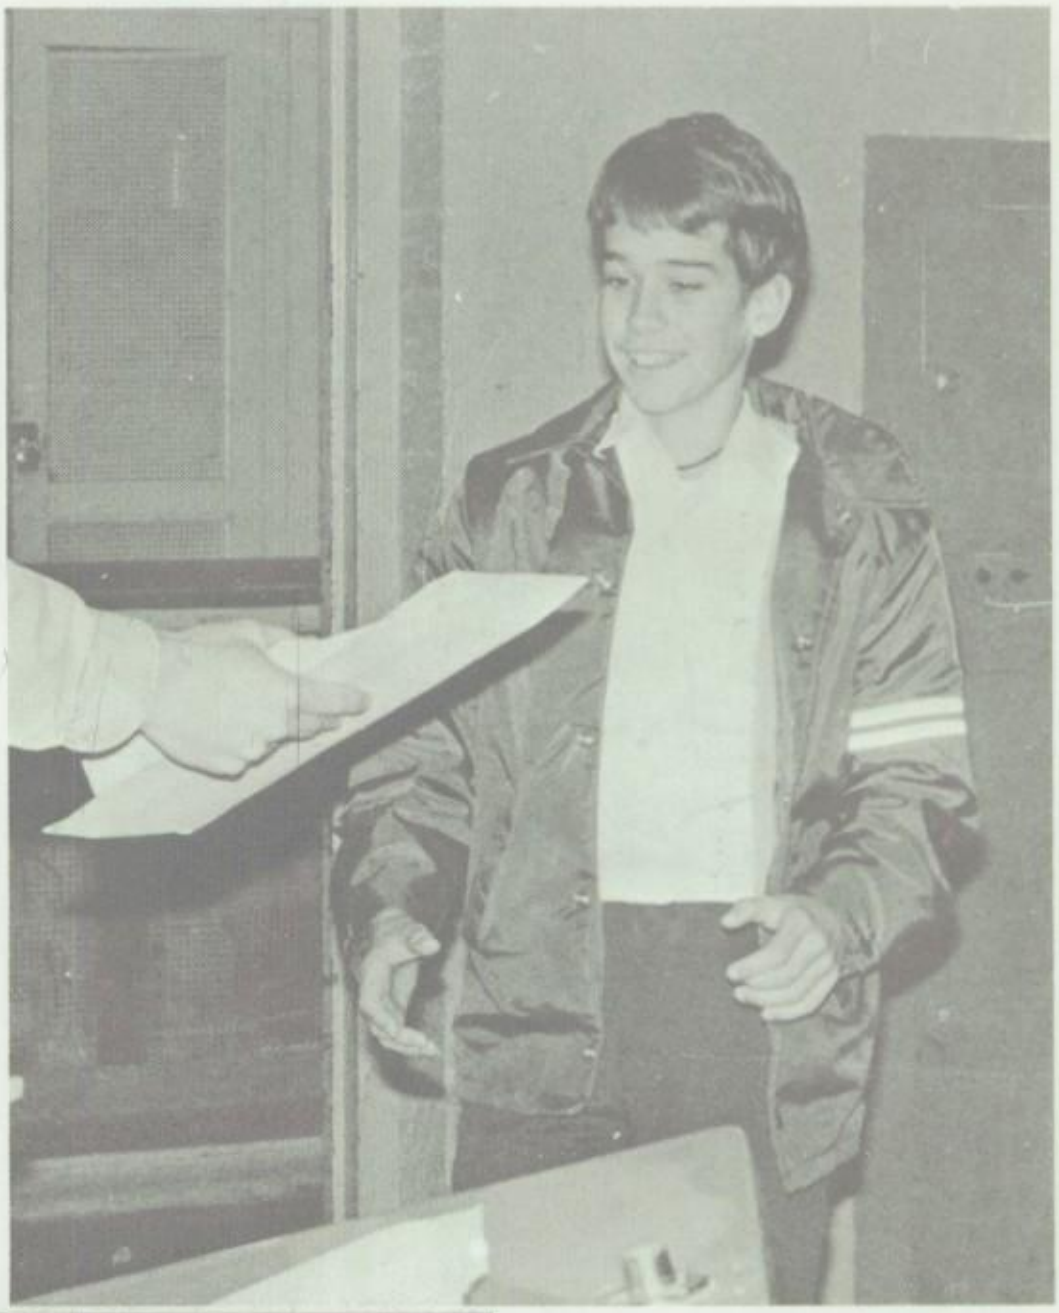
Going largely without thanks, the Stage And Lighting Crew, through their behind-the-scene diligence, make it possible for Saints to hold their many dances, rallies and plays. So, we would like to take this page to say 'thanks.'



MATH CLUB

The Math Club, under the leadership of Mr. Angus MacDonald, was out to defend last year's award-winning team's record in the Convair Math Field Day. The team, led by captain Fred Weber, has already competed in the Occidental and State field days. These two contests were used to gel the stradegy of the offense. Although the team did not place as a whole, Fred won an award.

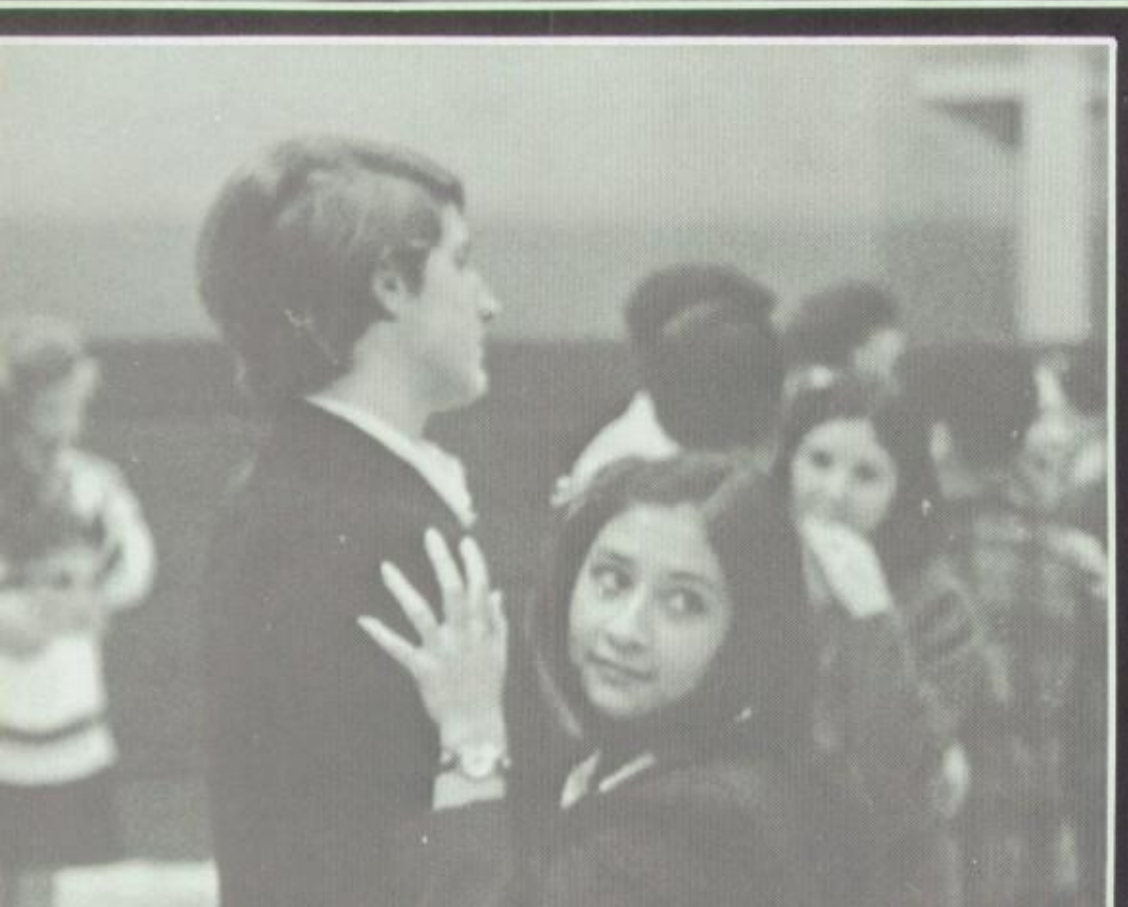
The Math Club also sponsors a Math Field Day of their own. Each year, the members of the club organize a field day for the parochial school students of the San Diego diocese. This year, Saint Columba won the overall championship, with Saint Didicus coming in second and Holy Spirit third.



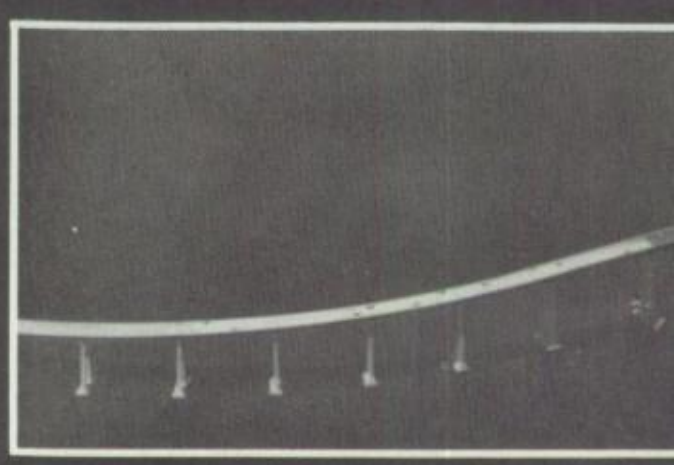
Student accepts honors

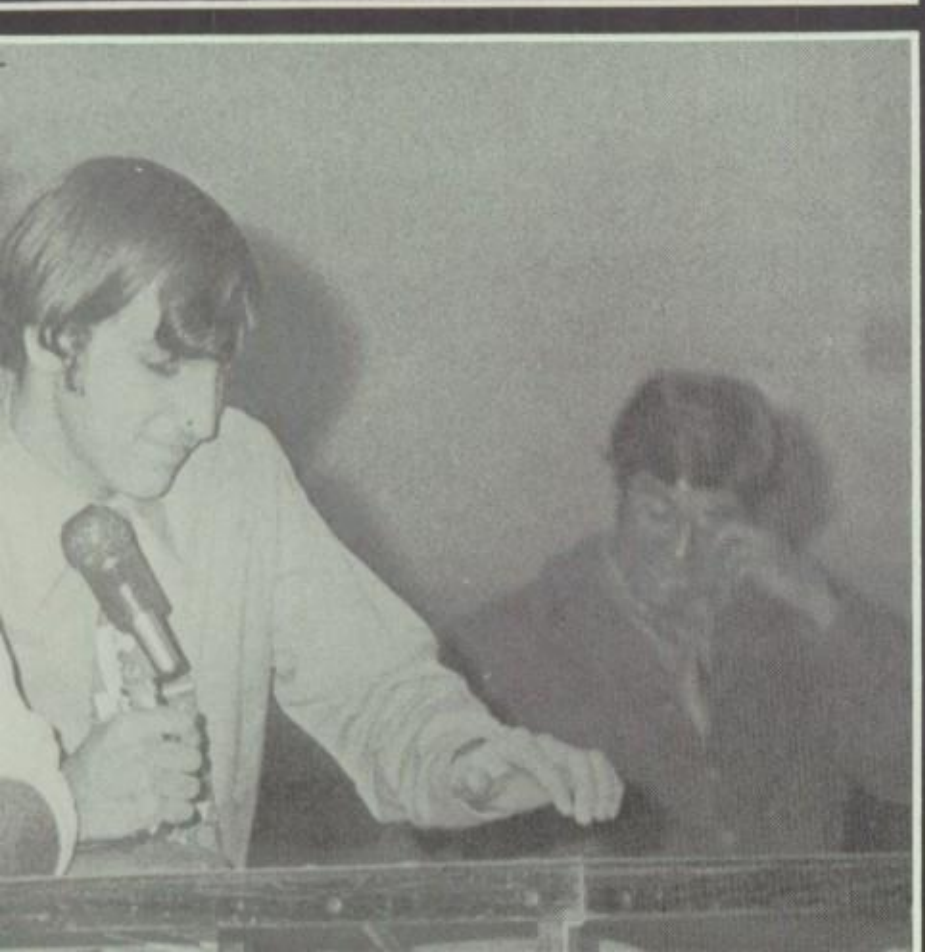
Two eighth-graders hard at it.

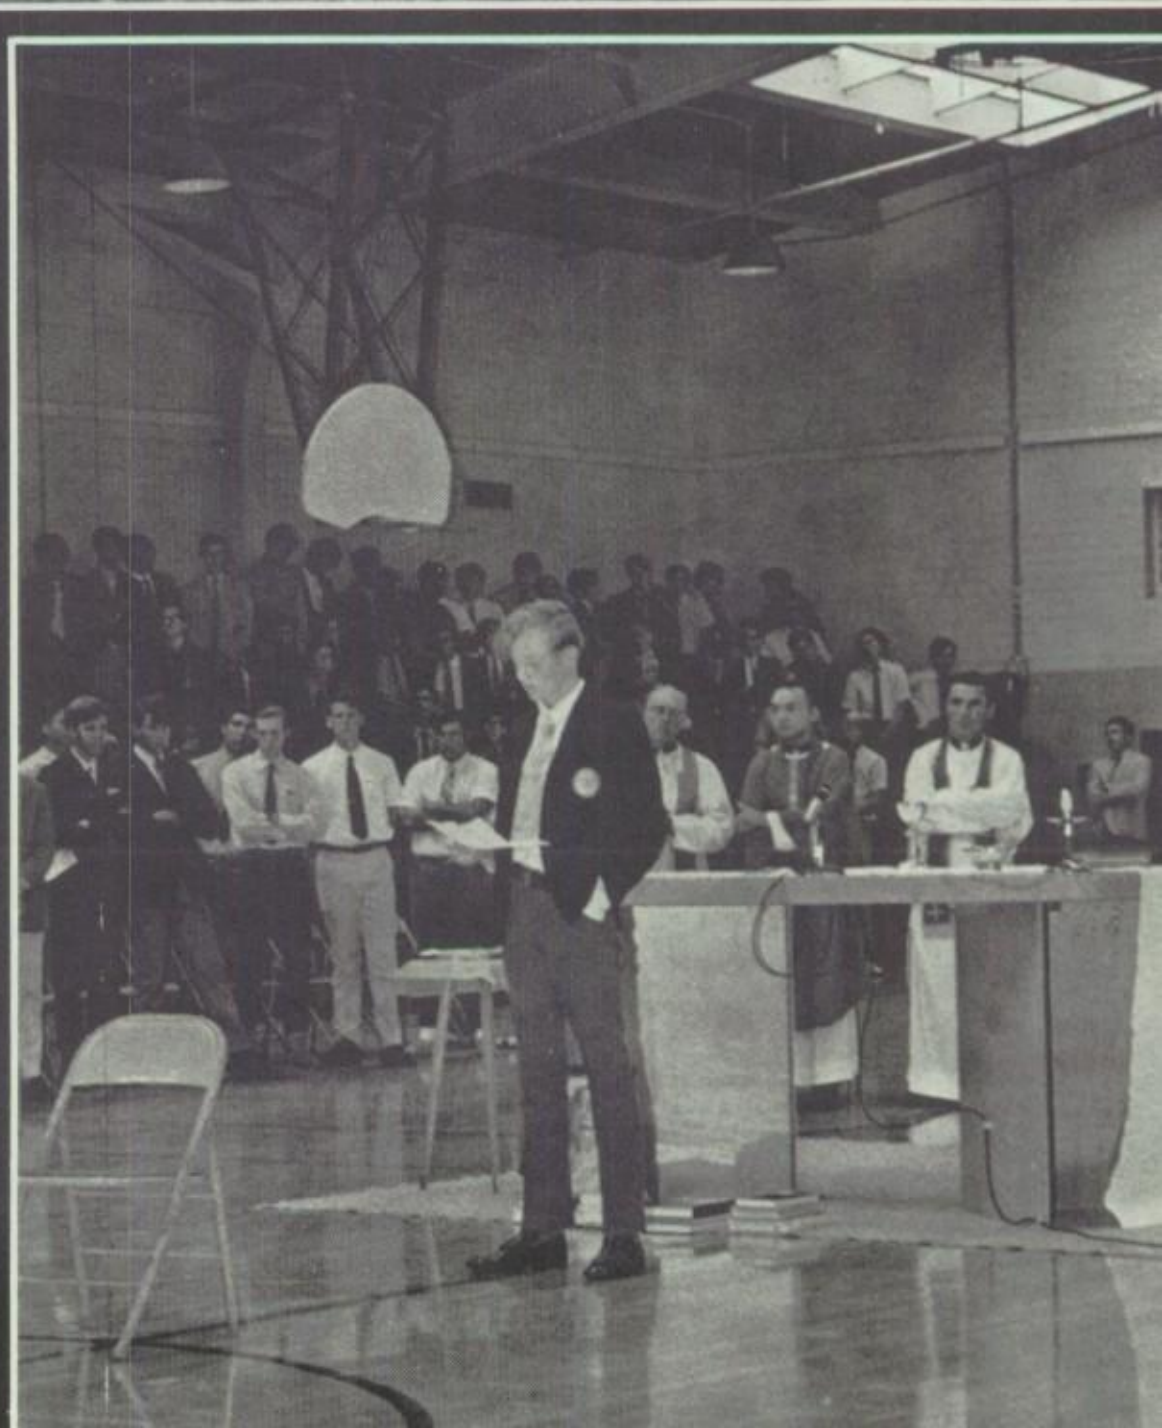
DANCES



ASSEMBILIES & RALLIES







ALUMNI ASSOCIATION, BOOSTERS

The third partner in the SAINTS operation is the parents. Th staunch group of supporter's do much for the school, besides ju paying the tuition. There are three groups to which parents ca belong. (Some loyal ones belong to all three.)

The first group is the Alumni Association. This association is, the name implies, composed of members of past SAINT'S grad ating classes. The Association is moderated by Fr. John Pejz This year the association raised $4,600 for scholarships to he underpriviliged students. They also raised money for the Annu Sports Appreciation Banquet through an add drive. Besides raisi money, they also sponsor fun activities like class reunions and homecoming party.

The third member is the Austin Guild. This is the PTA SAINTS. The group raises money, helps in the managing of t school, and they provide mothers which in turn provide refres ments for things like open houses, band programs and oth activities.

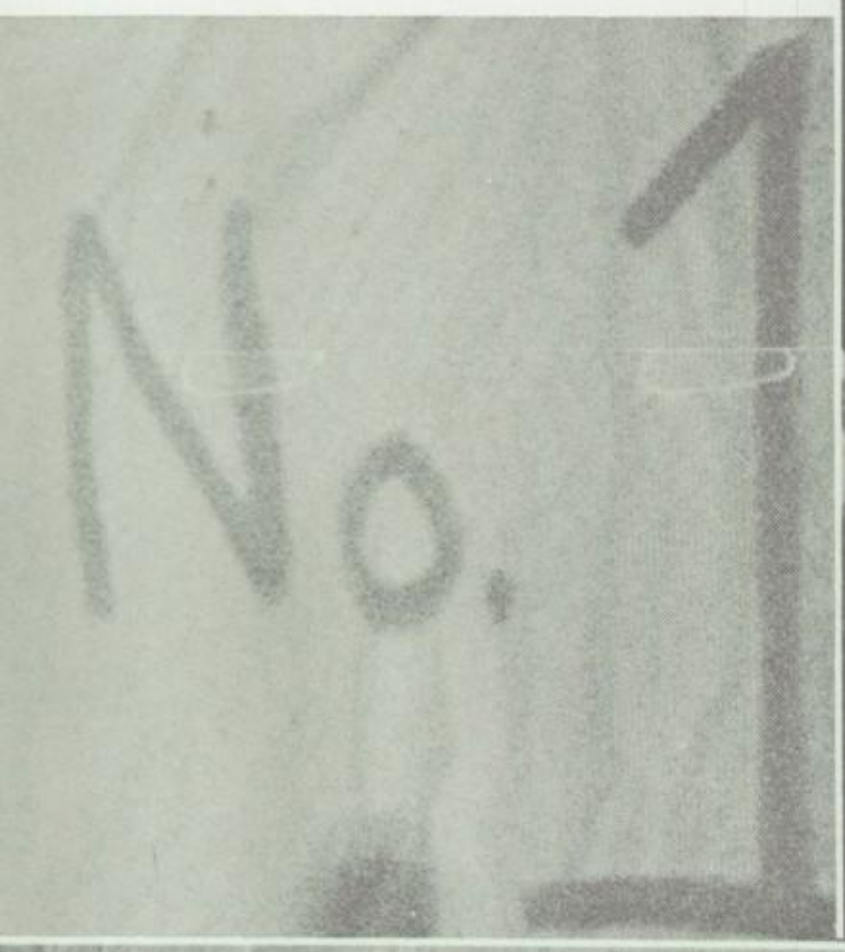
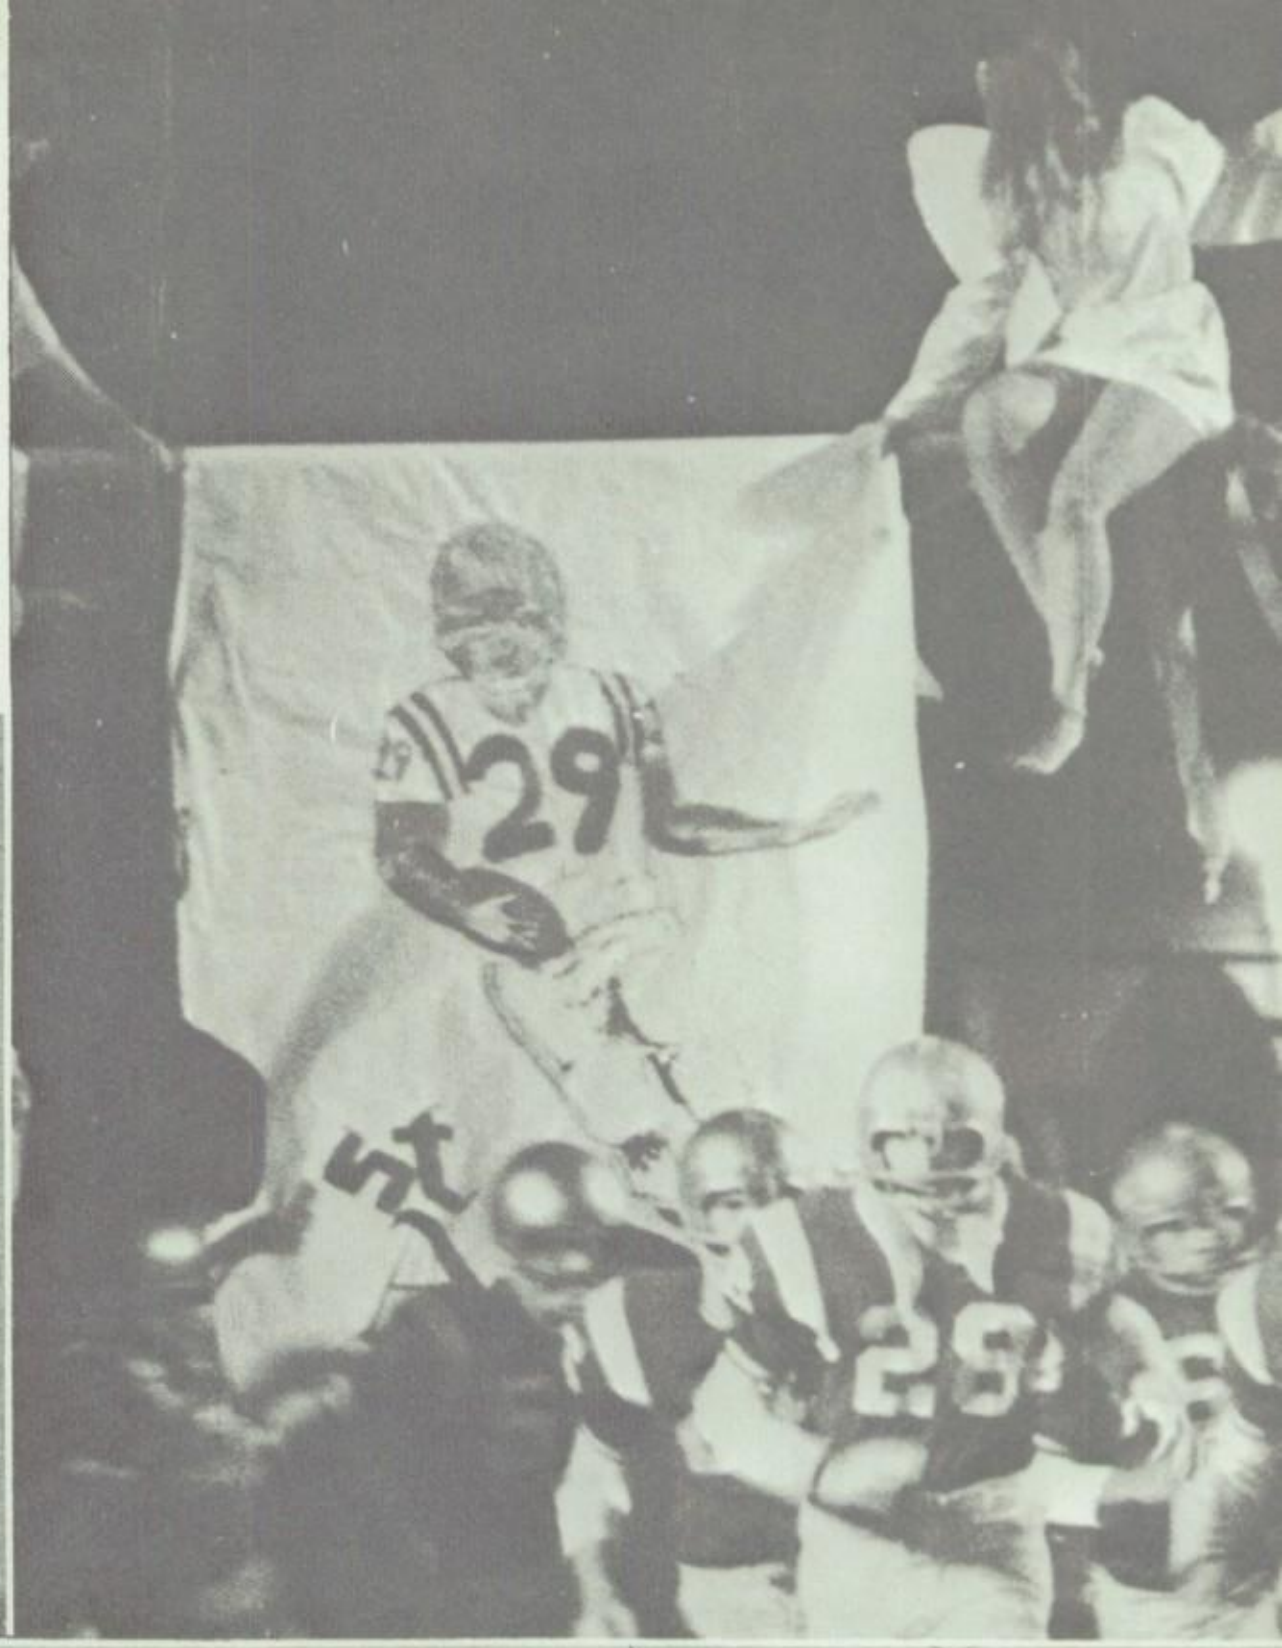
PEP CLUB

The Pep Club, working behind the scenes, takes care of such things as the printing of ribbons, the painting of posters, and constructions of run-throughs which contributed so greatly to the spirit of the school.

Under the direction of Chuck Martinez and the moderation of Mr. Kinninger, this year's Pep Club decorated the stadium for our games and the gym for our rallies.





CSF

Members of CSF as of First Semester:

Brian Akre
Frank Barrack
Dennis Buchanan
Gary Chald
Douglas Green
Tim Houze
Anthony Intrieri
Harold Jacobson
Charles LaMandri
Phil Lorang
John Taylor
Bill Turk
Joe Utschig
Fred Weber
Steve Weinstock
Tom Youngers

The California Scholastic Federation is probably one of the most distinguished clubs on campus. These members devote their time to community service by tutoring those who ask for help, and serving at public functions. Father Sullivan, this years moderator, believes this is a great opportunity for acedemic enlightenment, not only for the members but also for the people they serve.

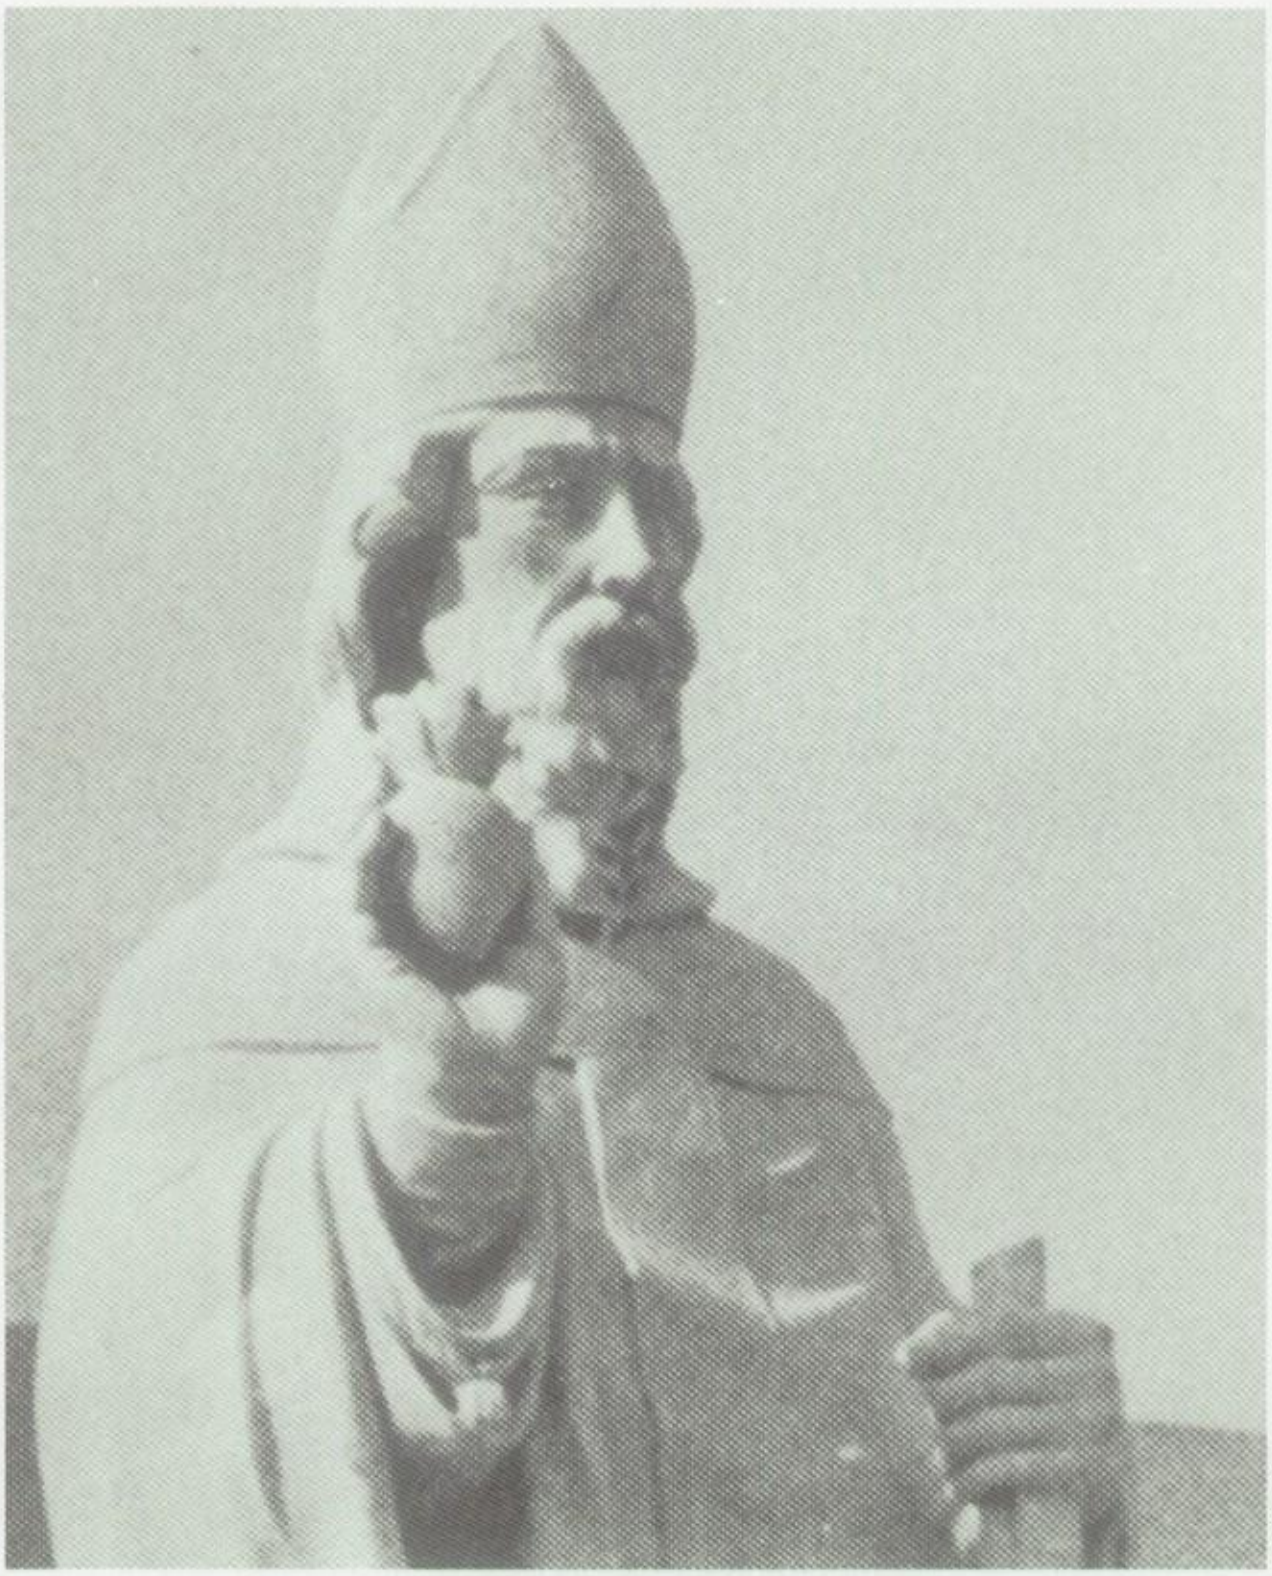


PHOTO STAFF

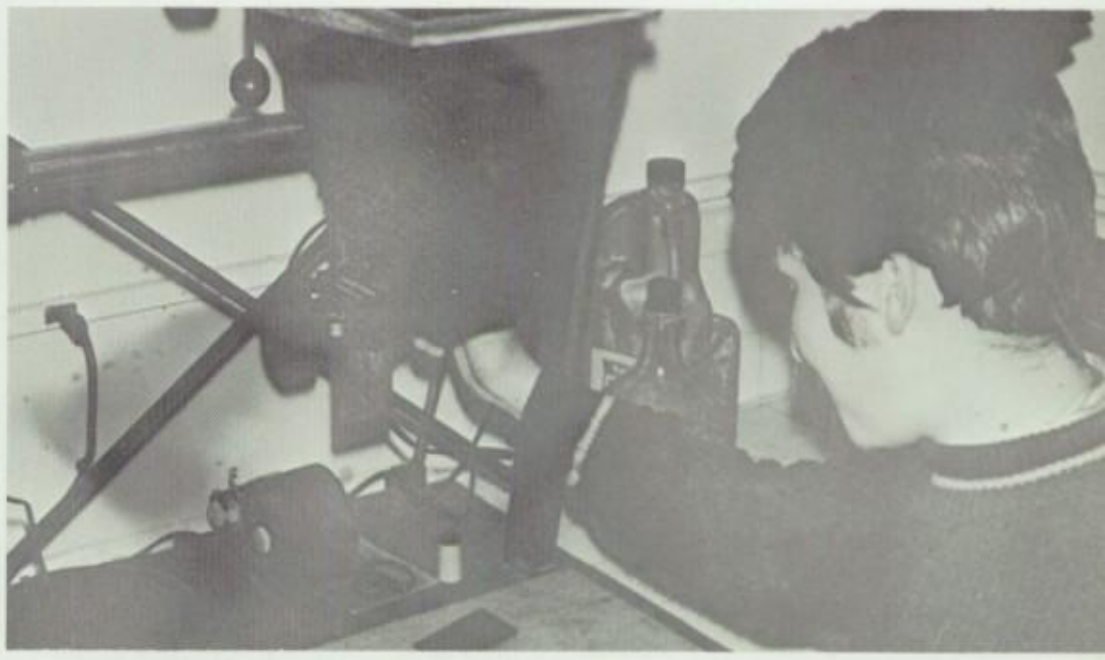
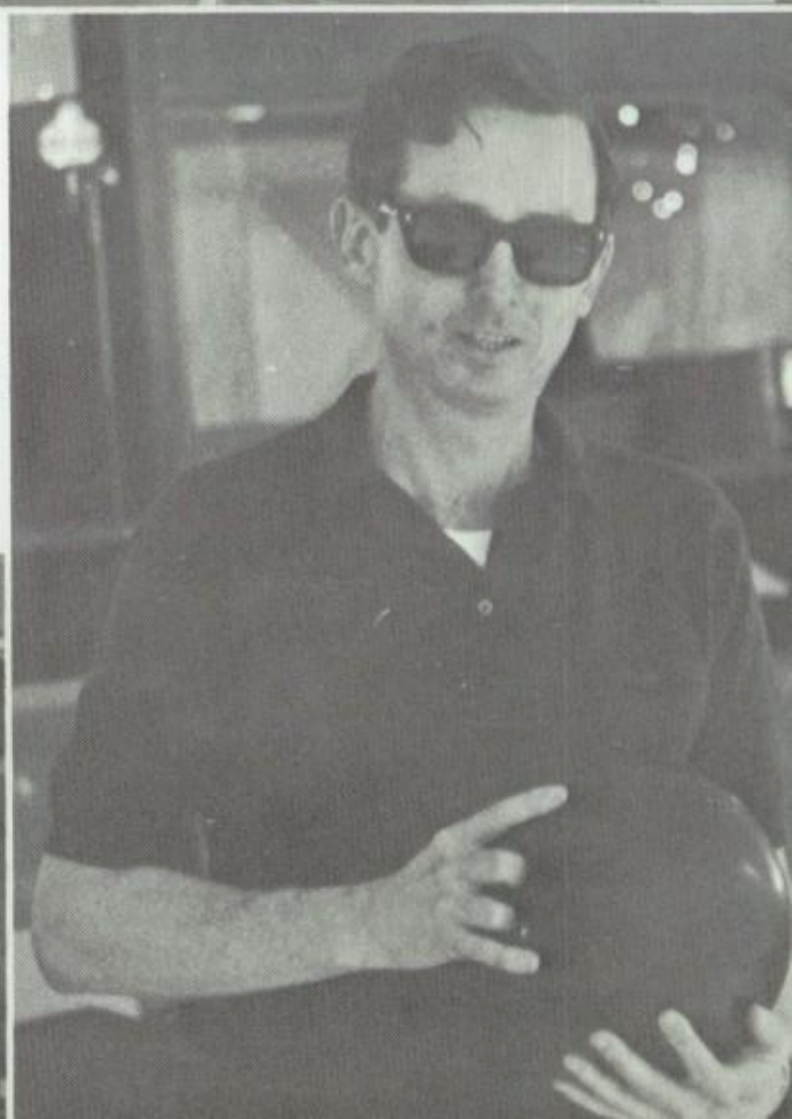
Though under a constant rain of curses and profanity from both the yearbook and newspaper staff the members of the Photo Staff diligently stride onward. The photographers put up with such thing as coaches forgeting appointments and the team showing up minus the uniforms, clubs and other groups not showing up, broken equipment, shortages of supplies, and a host of other disasters. The staff also lost one of its most promising photographer: John Forest. All in all though, somehow John Peters managed to prod the staff into working. And they worked well. Their work was consistently above par, despite it being done in not the best of circumstances.



BOWLING CLUB

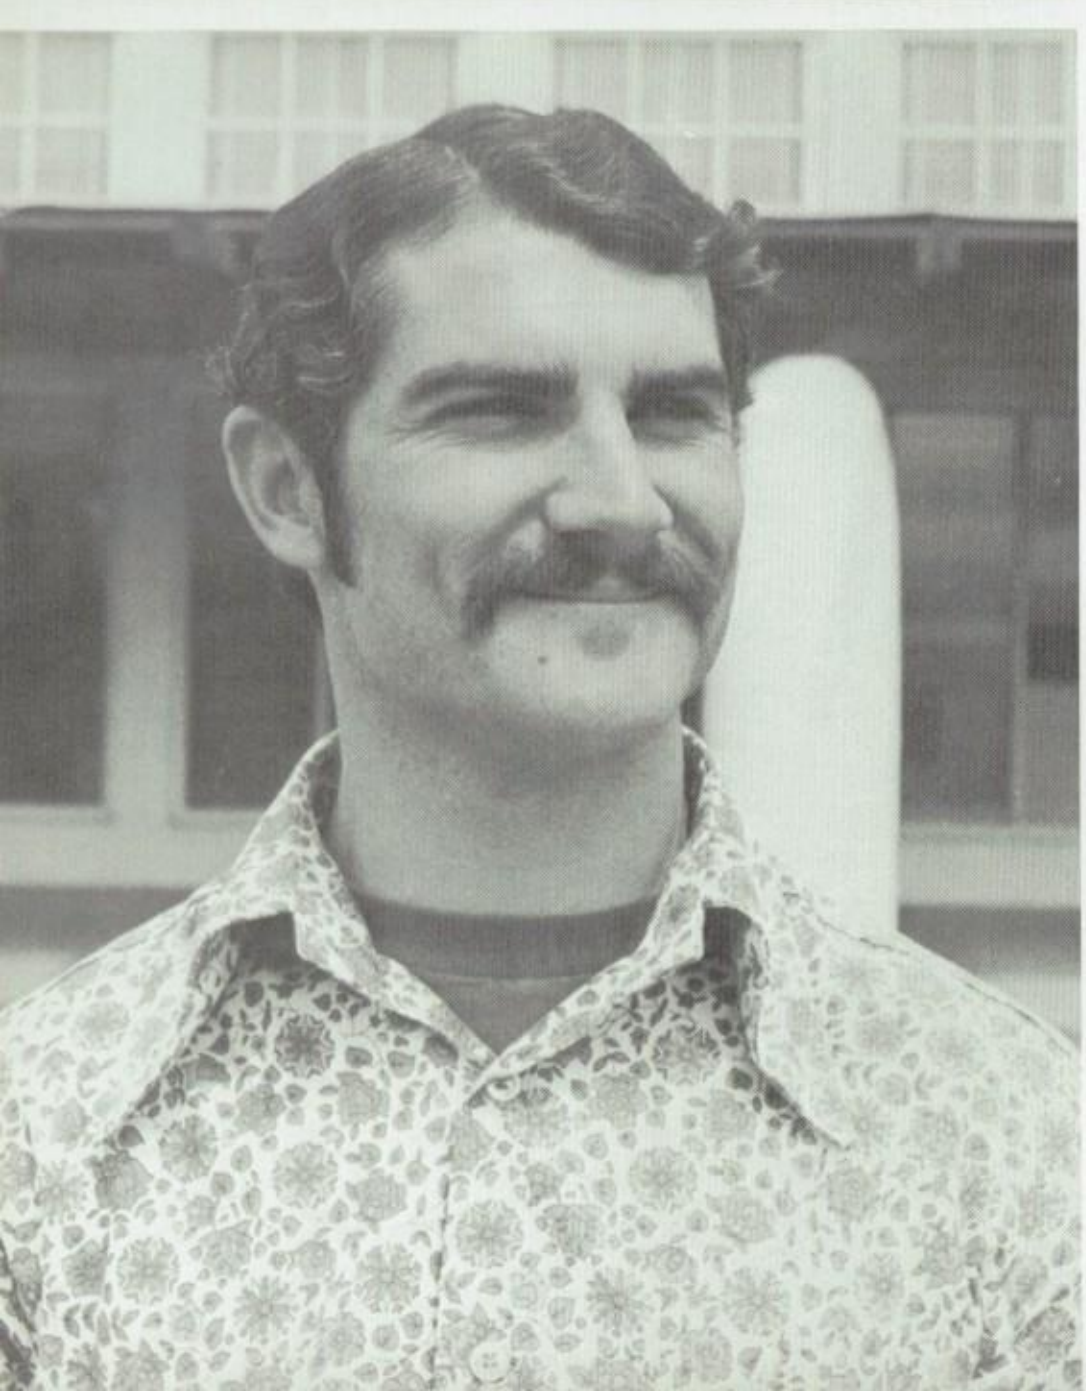
Though not exactly Celebrity Bowling, the bowling club does have fun. Meeting every Wednesday the bowling club valiantly battles to the death of such teams as the "Bummers Three" or the "Turtles".

There are two things that make the Bowling club unique: First there is the Moderator, Fr. Griswold—and there are the trophies. For thirty-five cents a line you can compete with the greats for the awe-inspiring trophies.



CHESS CLUB

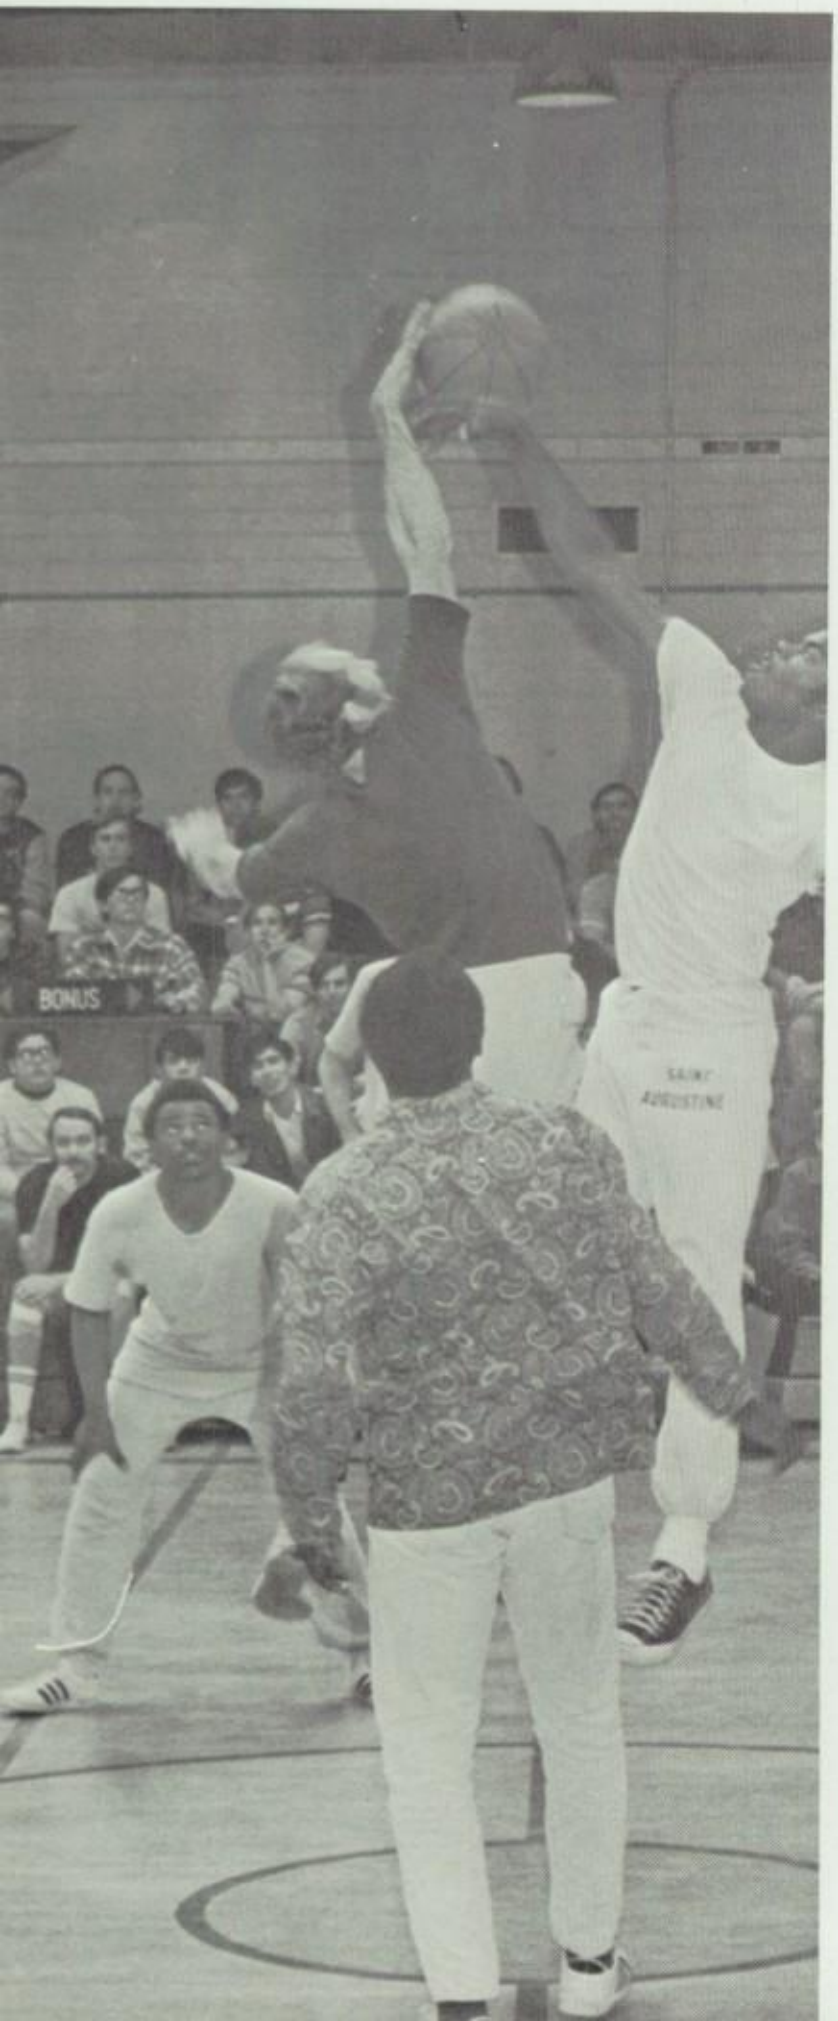
The era of the intellectual is over. This is obvious when the Chess Club is no longer seen in the Physics room for their daily matches. However, there are rumors that one does exist, and that they do play occasionally. In fact, the Chess Club actually received a challenge this year, although they felt it beneath their status to accept. Still, Mr. Jennings feels that this acknowledgement may spur the Club on to bigger and better things.

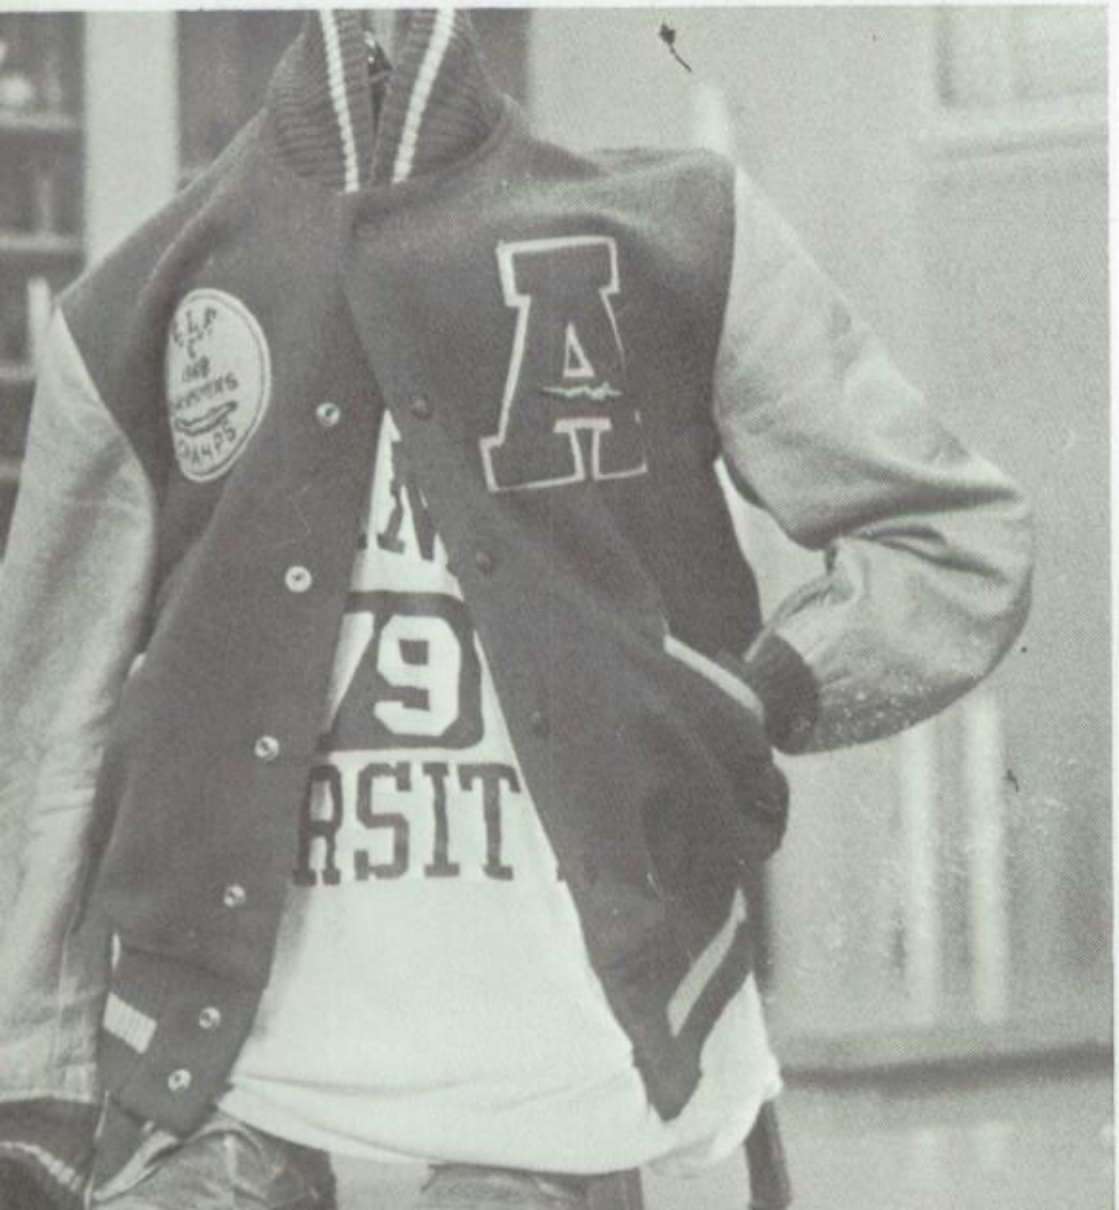


TEACHER'S AIDS

In the upper left corner we have Derrill—a noted biologist. In the upper right we have Mike Ottombrino, JB's right hand man and to the left is Richard McColl, chief detainer, and assistant track coach. The TA's, as they are commonly referred to, are students from USD, and work here between classes. Their jobs are many: They help relieve the faculty and administration of much of the paper work, they help the coaches, substitute, and occasionally even assist teachers!

INTRAMURALS



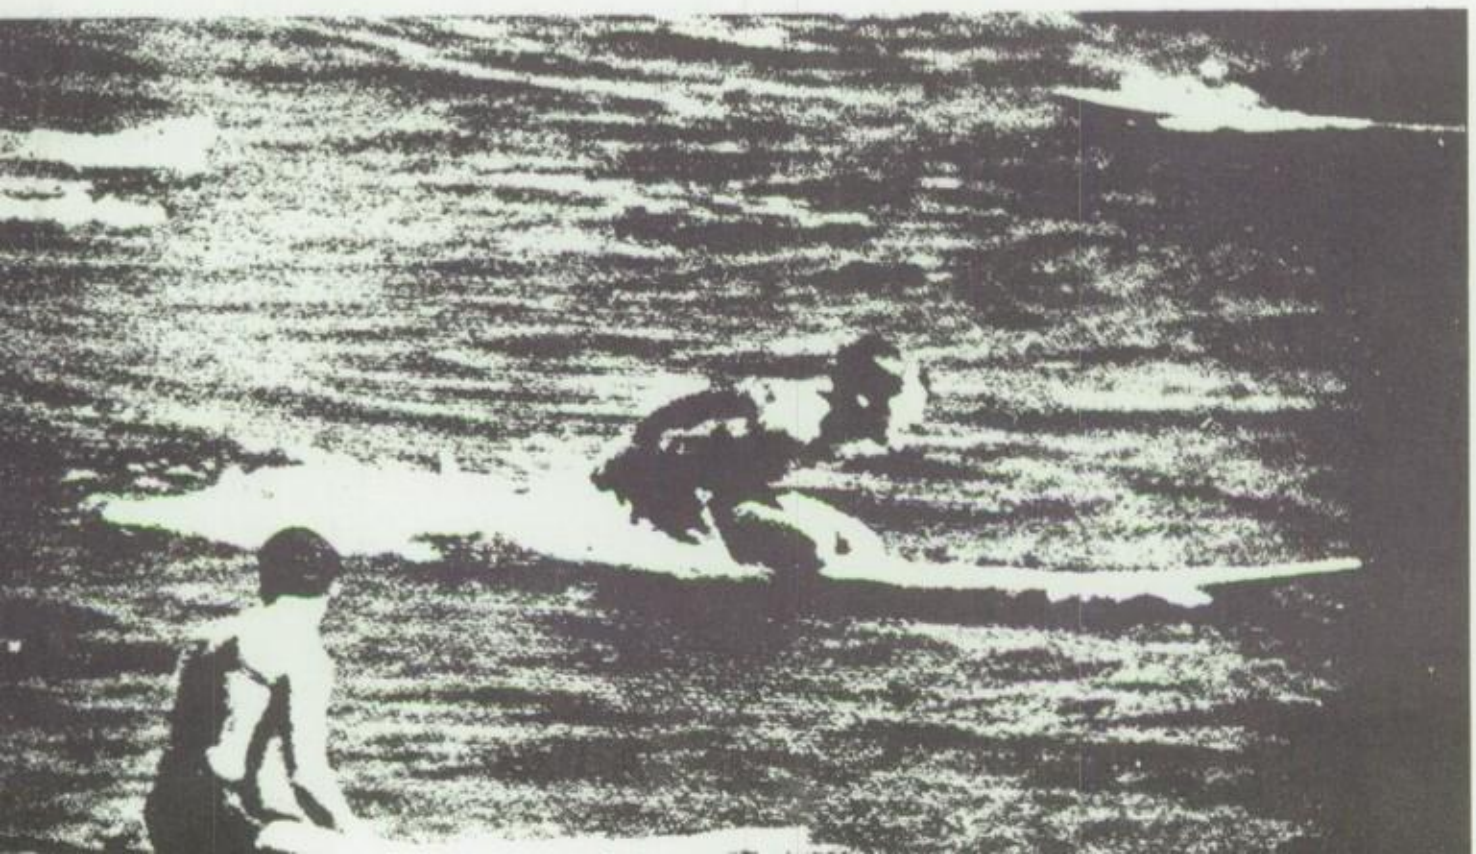


LETTERMAN'S CLUB

The Letterman's Club, as the name implies, is composed of those Saintsmen who have earned a Varsity Letter in their favorite sport. This club also has the distinction of being the largest on campus. It also has the distinction that everybody in the club wears a letterman's jacket which produces an "esprit de corp". The club also has a unique moderator: one Joe DiTomaso. These things combined also make the Letterman's Club one of the most active and social clubs on campus.

SURFING CLUB

New to the Saint's scene this year is the surfing Club. This club, headed by Brian Akre, applied for permission to start from the A.S.B. as soon as the weather cleared and the waves began to roll. The members of the club are noted for their ability to disappear quickly when they hear the call to freedom: "Surf's Up!" They can usually be found anywhere the water is white.



SPIPITUAL ACTIVITIES

As a teacher, I sometimes feel tempted to consider myself like the launch master of firecrackers on a Fourth of July celebration. For one thing, it is exciting, though often precarious. Yet, once things are in orbit, one never fails to be surprised, even delighted. However, when June comes around, just as one is temped to wonder why the fuss for a mere chauvinistic holiday, I'm tempted to think, "So another kid has graduated, got himself a job and is raising a family or gone off to fight the war. Big deal!"

But it is my students who have saved me, their chaplain, from this attitude. Outside our chapel an alumnus said to me, "Father, I finally realized what you were trying to do for us at Saints." "What's that?" I asked. "You were trying to make us persons." Previously, a student told me, "You don't have very good facilities here, Father, but you do treat us like people."

Our present society feels at a loss and rootless because it is witnessing the death of its familiar symbols. So much of our life seems trivial and pointless because the traditional emblems and signs no longer signify our real hopes. We have not been able to present the best of our age, much less project its goals.

My friends at Saints say the symbols are in the faces of personable people, like the girl in the mental hospital who ran up to me, came real close, looked into my eyes and asked, "Are you for real?" The person is our most transparent sign of God. Yes, "It is the same God that said, 'Let there be light shining out of darkness,' who has shone in our minds to radiate the light of the knowledge of God's glory, the glory on the face of Christ." (2 Cor. 4:6) When we have fully lived as people, honestly faced the challenges and accepted the responsibilities, we will find ourselves in Fod sharing the love between the Father, Son and Holy Spirit. Only the brave deserve to see the beauty of God shining in their own soul.

I have only one hope for both of us, that we are able to enjoy that view— together!

Agape, Peace, Growth,

BLACK FRIARS PRESENT . . .

This year, Saints came next to none in the field of Dramatics. To start things off, Mr. John Bowman presented the production Room Service, directed by Mr. Alex Alongi, a fervent member of Mr. Bowman's casts during his years at Saints. Bringing things to an astounding close was Rogers and Hamerstein's OKLAHOMA! directed by our own Mr. Michael Greenwald.

Although Room Service was Mr. Alongi's first directing experience, his great ability was revealed to the small but responsive audiences. Assisting Mr. Alongi on his endeavor was Miss Terry Tacey, the director's fiance.

Dennis Buchanan, in his leading role as Gordon Miller, played opposite Emilita Valdes, from Our Lady of Peace. Two months of rehearsal went into the making of this play, which was performed over the Halloween weekend. Tom Ritz, who protrayed "sweet" Dr. Glass, helped to liven things up at these practices.

The next play to be seen at Saints was OKLAHOMA! This was the first major musical ever to be produced at Saints. Financially, it was a huge success. It had to be one of the most popular plays to be seen on this campus. Student participation was also at a high level. More than seventy students were active in the production, some acting in the play, some working behind the scenes on the technical end of things, others working on the scenery and art. Everyone was kept busy at their specific jobs.

Helping Mr. Greenwald in the directing of the play were Mr. John Ranallo, Choral Director; Mr. Ted McLaughlin, Conductor; Mr. Sam Riordan, Scenery Director; and Kathi Herb, Choreographer. Student Director for the play was Jim Helton, and Student Musical Director was Jesse Robles. John Dobyns handled the publicity. With directors like these, there was no way for the play to fail.

This year, Saints was very lucky to find some exceptionally talented and experienced young men and women to fulfill the demanding roles that a play such as OKLAHOMA! requires. In the leading role of Curly, Bill Bourus proved himself capable of handling such a role. Debbie Aramendia, from OLP, also proved herself quite a talent in the role of Laurey. Pat Sammon (Will Parker) and Marcie Lehrkey (Ado Annie) did exceptionally well as the comic leads in the play. Ron Smedley and Irene Rogers (Rosary) showed their great adaptability to character roles as Ali Hakim and Aunt Eller, respectively. Jim Proctor once again showed his capability in the dramatic role of Jud. A new comer to the "stage," Bob Tweed, proved wrong the theory that experience is a major factor in quality acting. These leads were backed up by a tremendous supporting cast of thirty-seven actors and actresses from Saints, OLP, Rosary, and Sacred Heart.

After the performances on April 1,2,3, and 4, more than fifteen-hundred exuberant theatre-goers could be seen leaving the Saint Augustine High School "Palace de Arts."

THE
YEARBOOK
FOREVER!

WE DID IT

Since you have just reached the end of the 1971 SAINTSMAN, you may be wondering who is responsible for this outrage; this insult to great literature; this horrendous collection of photographs, clever sayings, and memoraphilia of the year 1971? We the undersigned admit it, we did it! At times it was touch and go, but all in all we had fun. We hopefully captured the year 1971 in all its glory. We would like to thank Mr. Charles Binkowski, our yearbook representative, Busco-Nestor Studios, Reyman Studios, the Copley News Service, and especially the very tolerant and forgiving American Yearbook Company, who put up with us all year.

Francis E. Wilson Jr.
